

FROM Topeka's early pioneers to her students today at Topeka High School, history is being made.

The pioneers were the people. The frontier was their experience. A century ago, history was made — the kind of history we labor to learn in school.

Compared to the pioneers, our struggles are small. The Indian raids, Quantril and the Civil War, disease and grasshopper plagues were real lessons of life for those hardworking Kansas farmers who called a sod house home.

This bicentennial year we are remembering those early settlers of Topeka. We dedicate the 1976 SUNFLOWER to the past pioneers who helped shape Topeka and the present pioneers of Topeka High School who will shape the nation in the future.

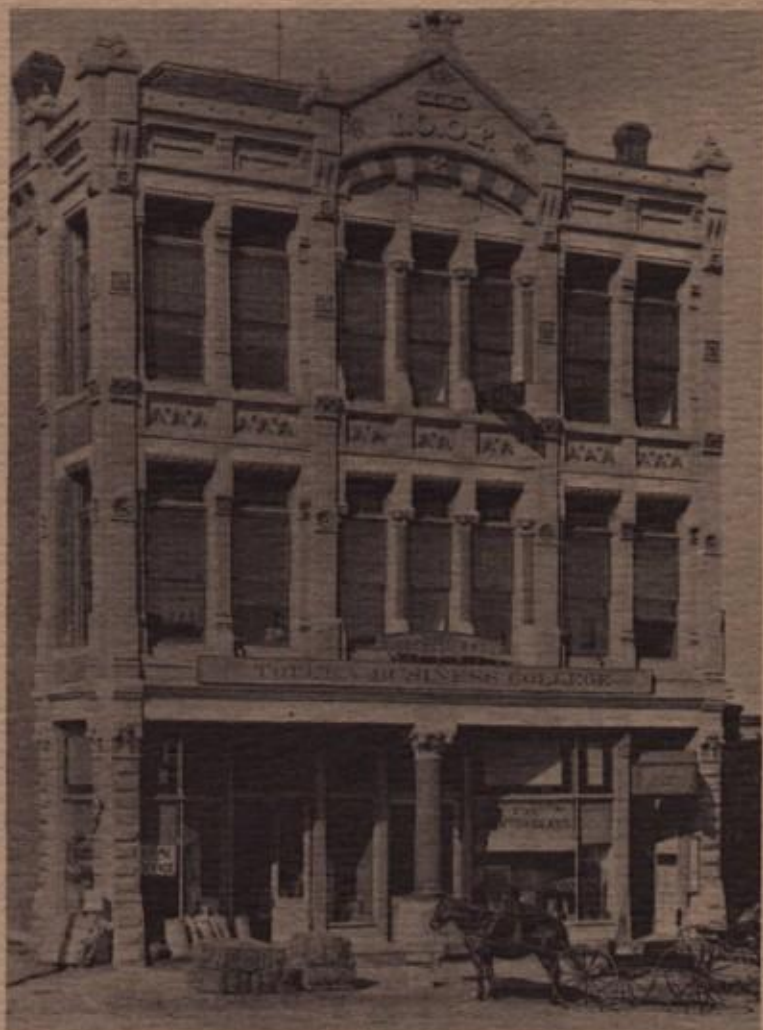

EDUCATION in Topeka started in pioneer homes. As the population grew, settlers built Topeka's first one-room schoolhouse on Madison Street.

Starting in the 1860's, more people settled in Topeka, creating a need for more schools and higher education. With its first 36 students THS officially opened in Lincoln School on September 18, 1871. Nineteen twenty-eight began a three-year period to build the present THS. Washburn University, also in Topeka, is one of two municipal universities in the nation. Students come from all over the nation to attend Washburn, which has a highly reputable law school.

In 1954, the case of Brown vs. Topeka Board of Education was the first step towards equal rights and integration in the schools.

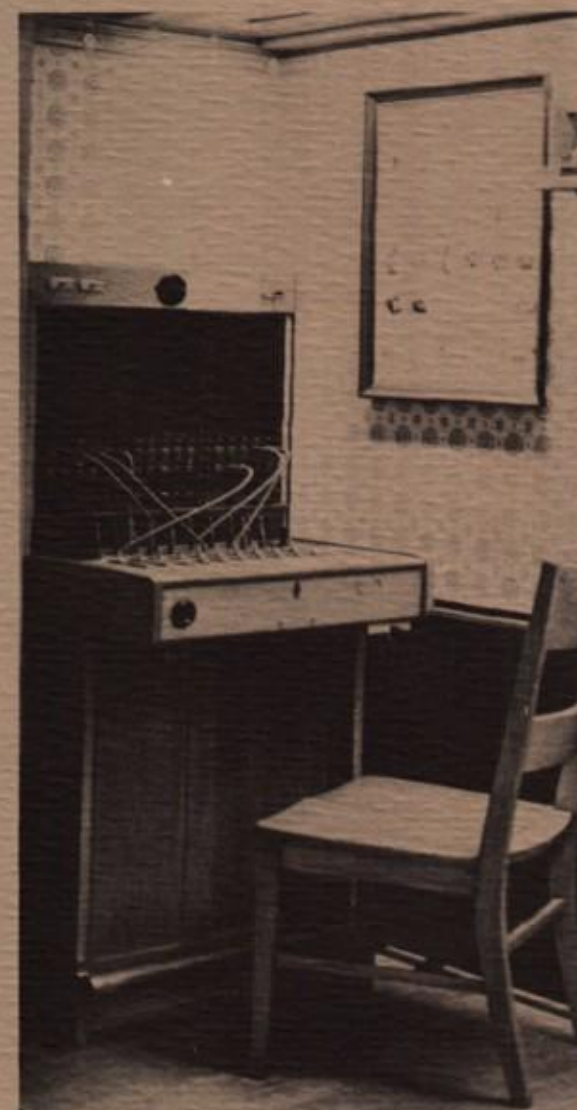

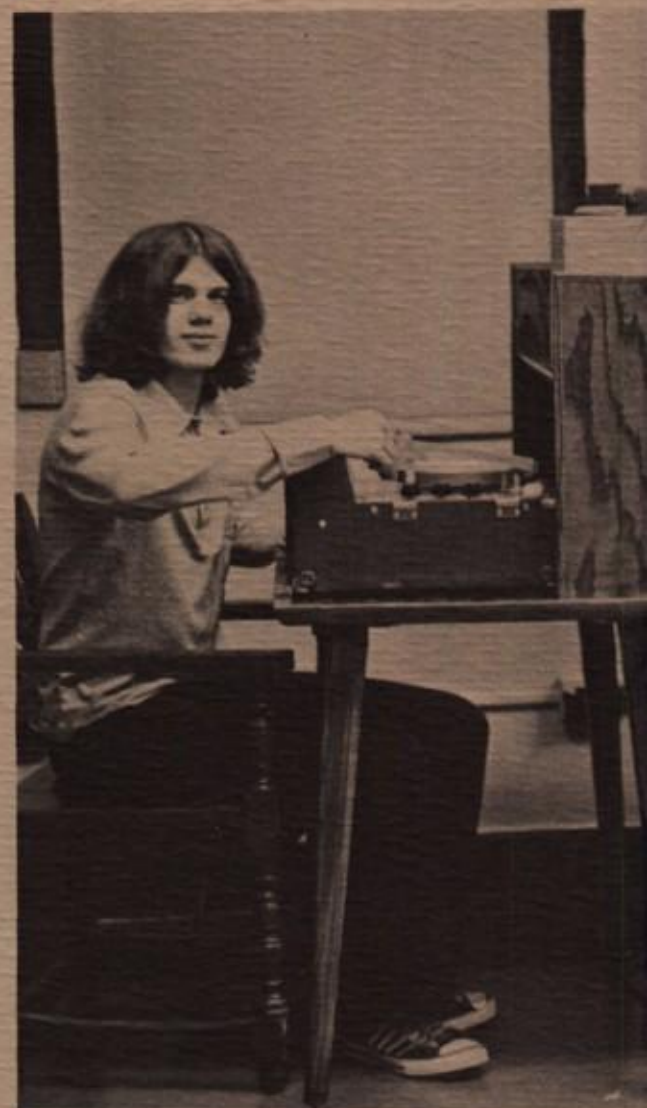

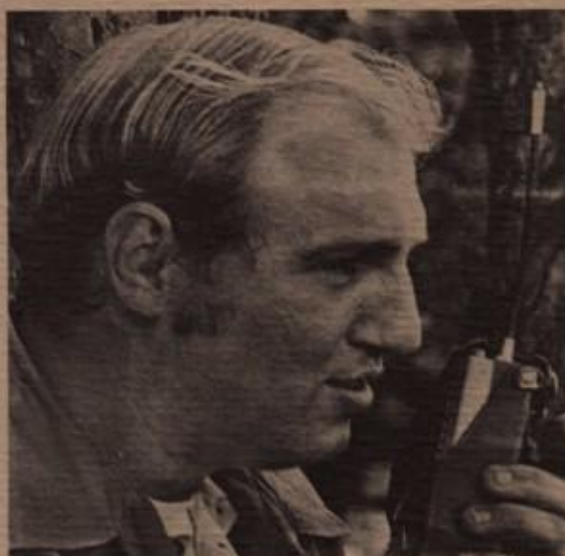

THS was designed to accommodate students to the year 2000. The media center and the special education department are showcases for the state of Kansas. THS has an approximate enrollment of 1800 students with a faculty of 92. There are 274 courses offered to the students from Boy's Food and Girl's Auto Mechanics to Human Anatomy and Physiology. Students have graduated from the chalk and slate of earlier years to the computers of today; for education has always been a major part of Topeka's growth.

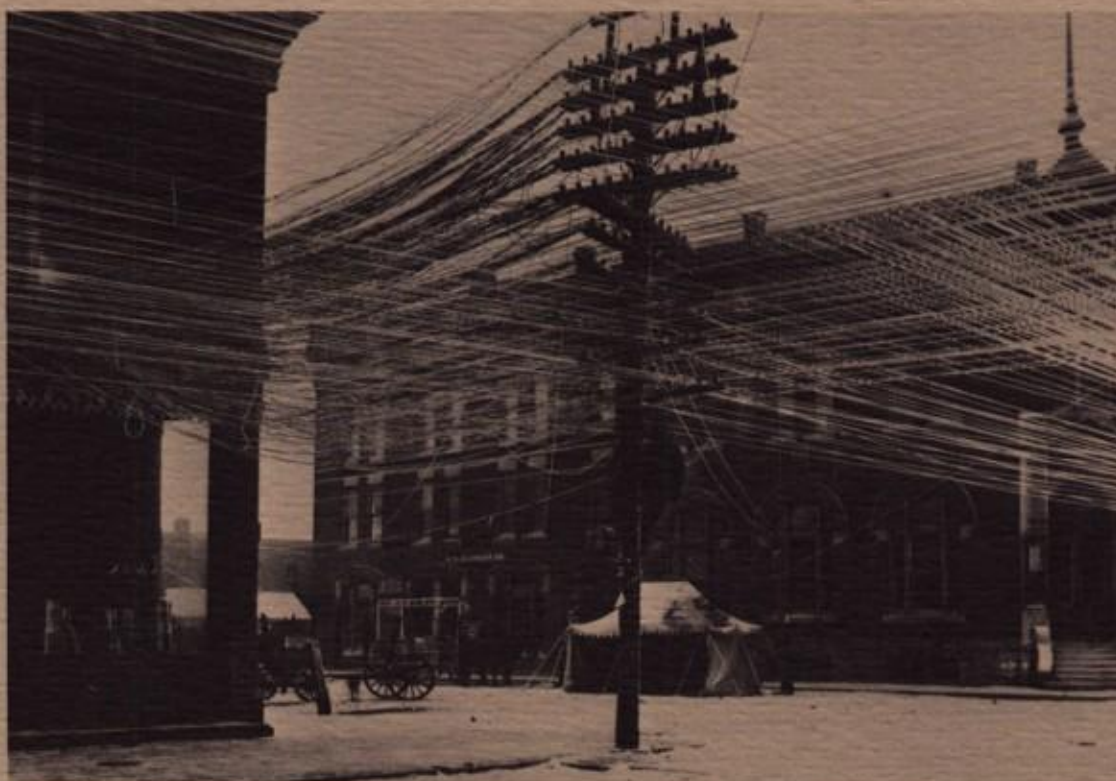

IN Topeka's first days, there was no direct communication except by letter. Delivery by the Pony Express was slow; it took seven days. Today we need only to pick up a telephone to talk to anyone, anywhere. In our modern world of television, radios, telegraphs, telephones and newspapers we are constantly kept informed of world affairs. In contrast, the pioneers knew little of world events because of poor communication. Their world was confined to their immediate surroundings.

When the present THS was erected, the designers felt that communication would be limited within the building because of its size. Consequently, phones were installed in each room. Eventually, the phones were found useless and were taken out. Now an intercom system is our room communication at THS, and our security officers communicate by walkie-talkies.

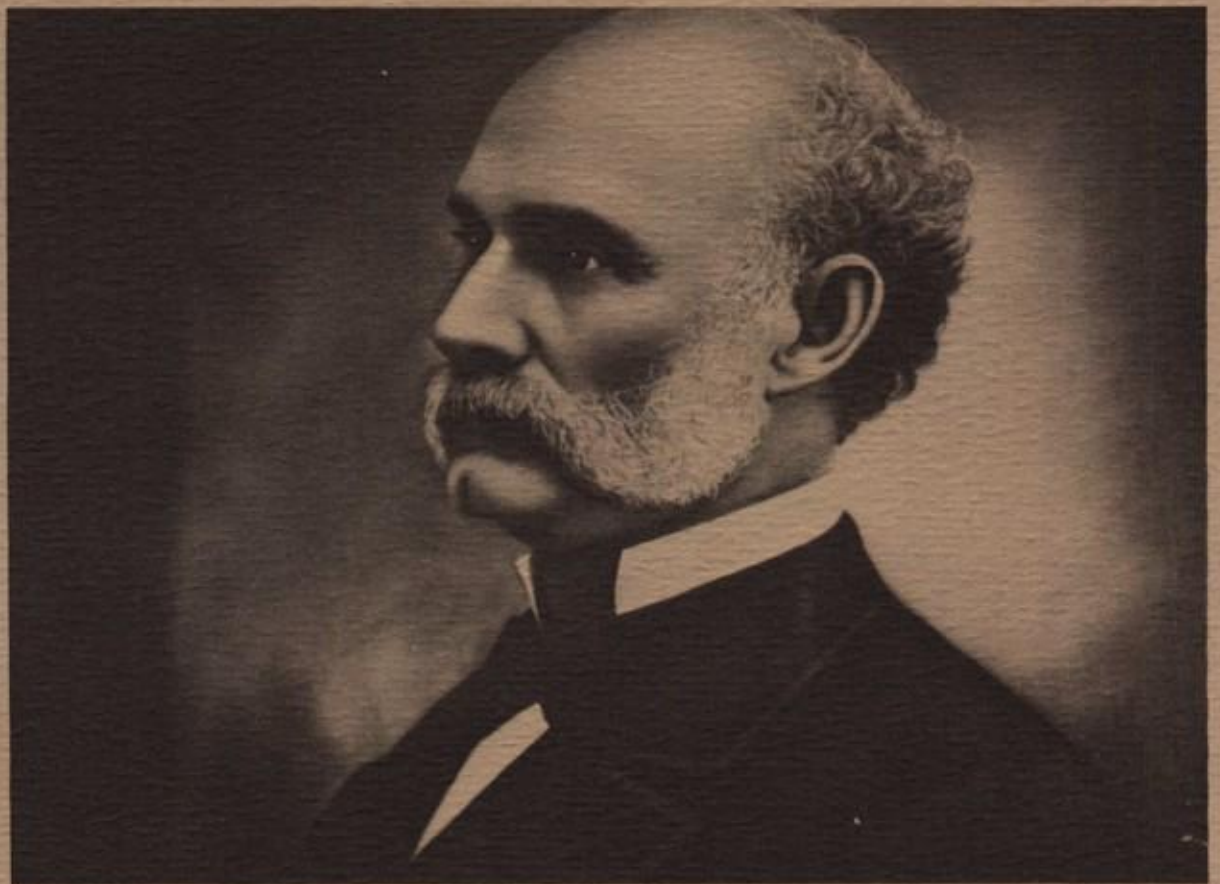

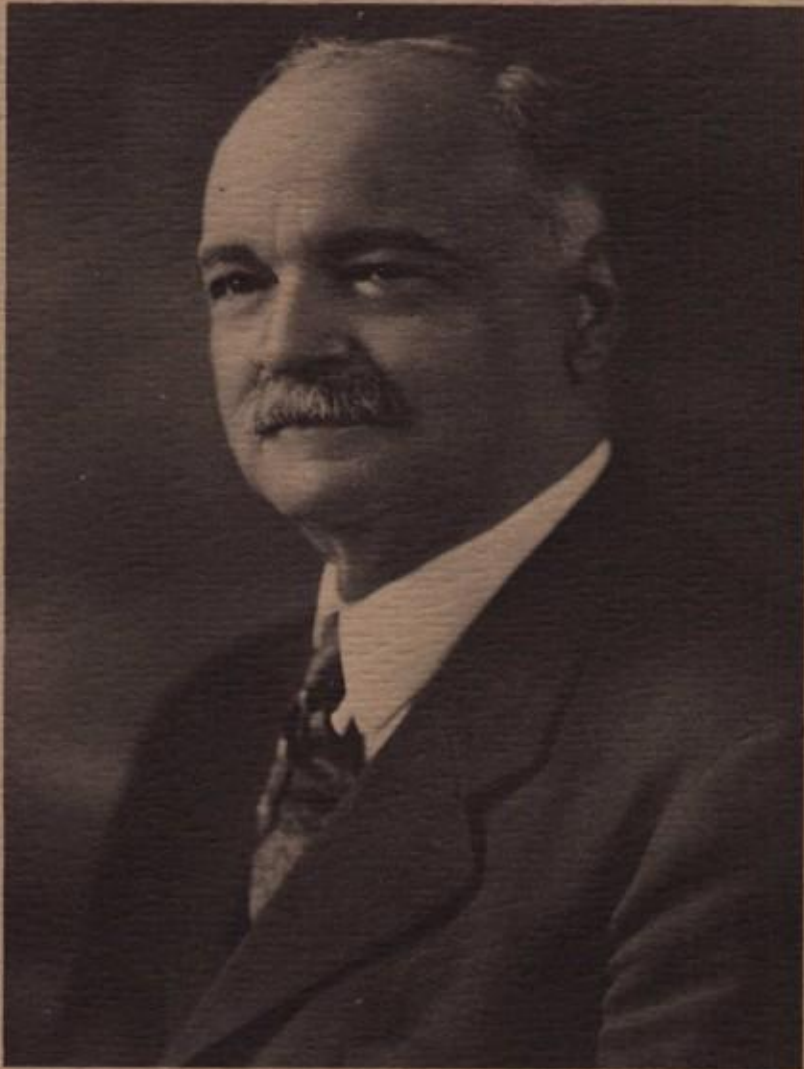

TOPEKA is the center of Kansas government. The state capital, state house and other government offices are located in our city.

Topeka has contributed many important men to our nation. Among them is our former governor Alfred Landon, who continues to play a major role in national politics and was the 1936 Republican presidential candidate. Charles Curtis, vice-president under Herbert Hoover, was from North Topeka. Cyrus K. Holliday was a founding father of Topeka and organizer of the Republican Party in Kansas.

THS has a special form of government, the Student-Faculty Board. It is one of the few in the nation. The Board is composed of students elected from each grade, representing their district, and members of the faculty. At their meetings Board members discuss problems facing THS and solutions to these problems.

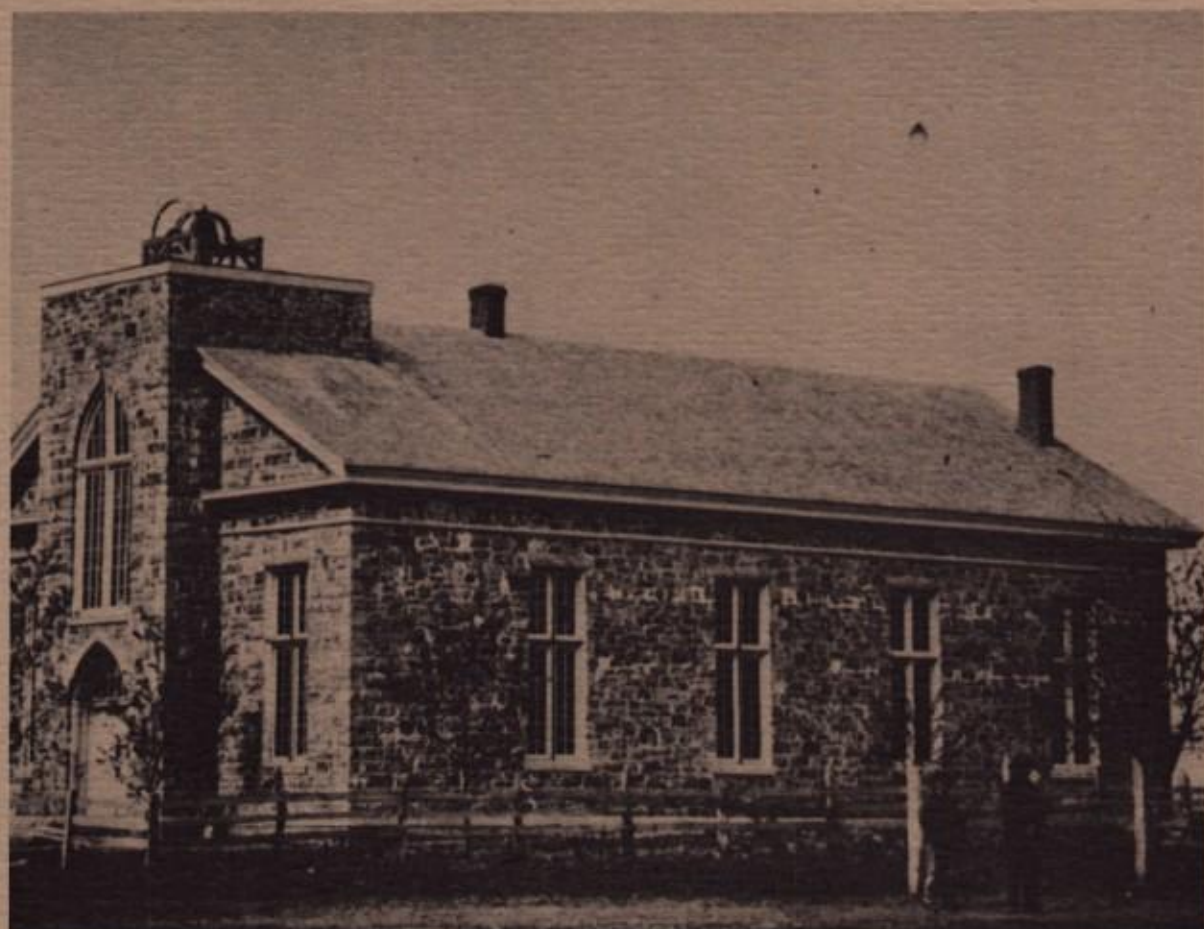

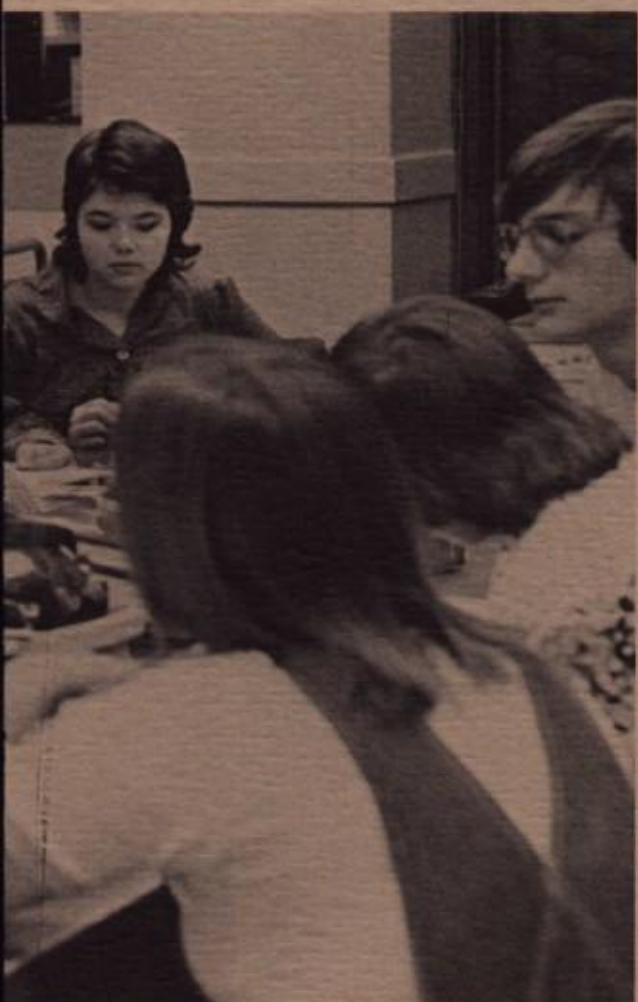

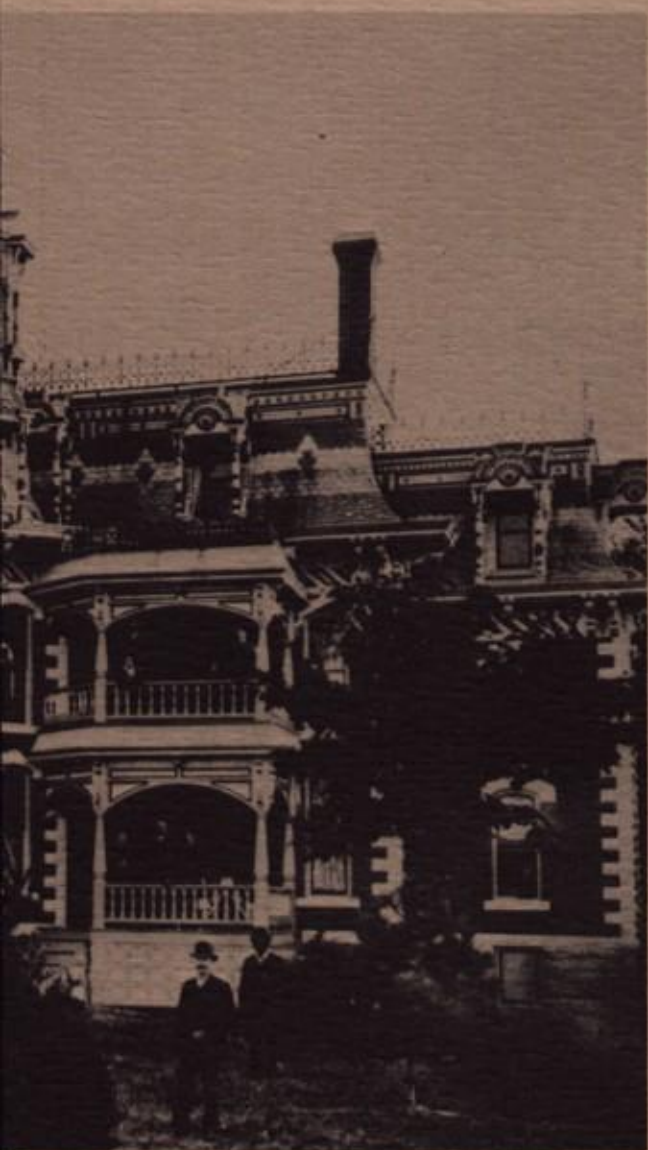

WHEN the first lone settlers came upon the great, vast prairies of Kansas, they encountered a religious essence. For many believers, the Bible was a major factor involved in this experience. For others, exploring a new land or even seeing the hot Kansas sun setting on the Flint Hills was a spiritual experience.

Religious beliefs played a large part in establishing Topeka and surrounding areas. The Swedes came to Topeka in 1869 and lived in the western side of the city. Other groups also came and settled according to their beliefs. Some built churches which became exceedingly important as a source of comfort and inspiration in a pioneer life of hardship.

The First Congregational Church, organized in the log cabin of James Cowles in 1855, was Topeka's first church. Also in 1855, the First Methodist Church was founded. Today, buildings designed in both traditional and modern architecture represent meeting places for nearly 200 of Topeka's denominations. A new religion, the American Pentecostal Movement, began in 1901 at Stone's Folly which was located at 17th and Stone St. The first organized black church in Topeka was the African Methodist Episcopal Church (AME).

A religious spirit is evident throughout Topeka, as well as at THS. This spirit shows itself in solitude as well as organized groups such as Campus Life or FISH Club. Since the time of Father Padilla, who came with the first explorer, until today, this spirit has been continually growing and affecting our lives.

MUCH of Topeka's growth can be attributed to her commerce and industry. Papan's Ferry crossed the Kansas River at a site near the present day city of Topeka. This successful trading post and ferryboat service, established in 1840, marked the beginning of business in Topeka. Papan's Ferry is no longer in existence, and along with it have gone some of the once familiar sights in Topeka: the corner grocery store, the coal and ice delivery wagon, and the livery and carriage repair shop. Other businesses such as the Santa Fe Railway, organized in 1854, continued to grow and change with the city.

Besides the established companies, Topeka continually attracts new firms and industries to the area, improving on her expanding business community.

The influence of business is evident at THS. A variety of business related courses are offered, and students also have an opportunity to enroll in the Co-operative Education program. THS has student organizations such as Future Business Leaders of America and Vocational Clubs of America for those interested in the commercial side of the community.

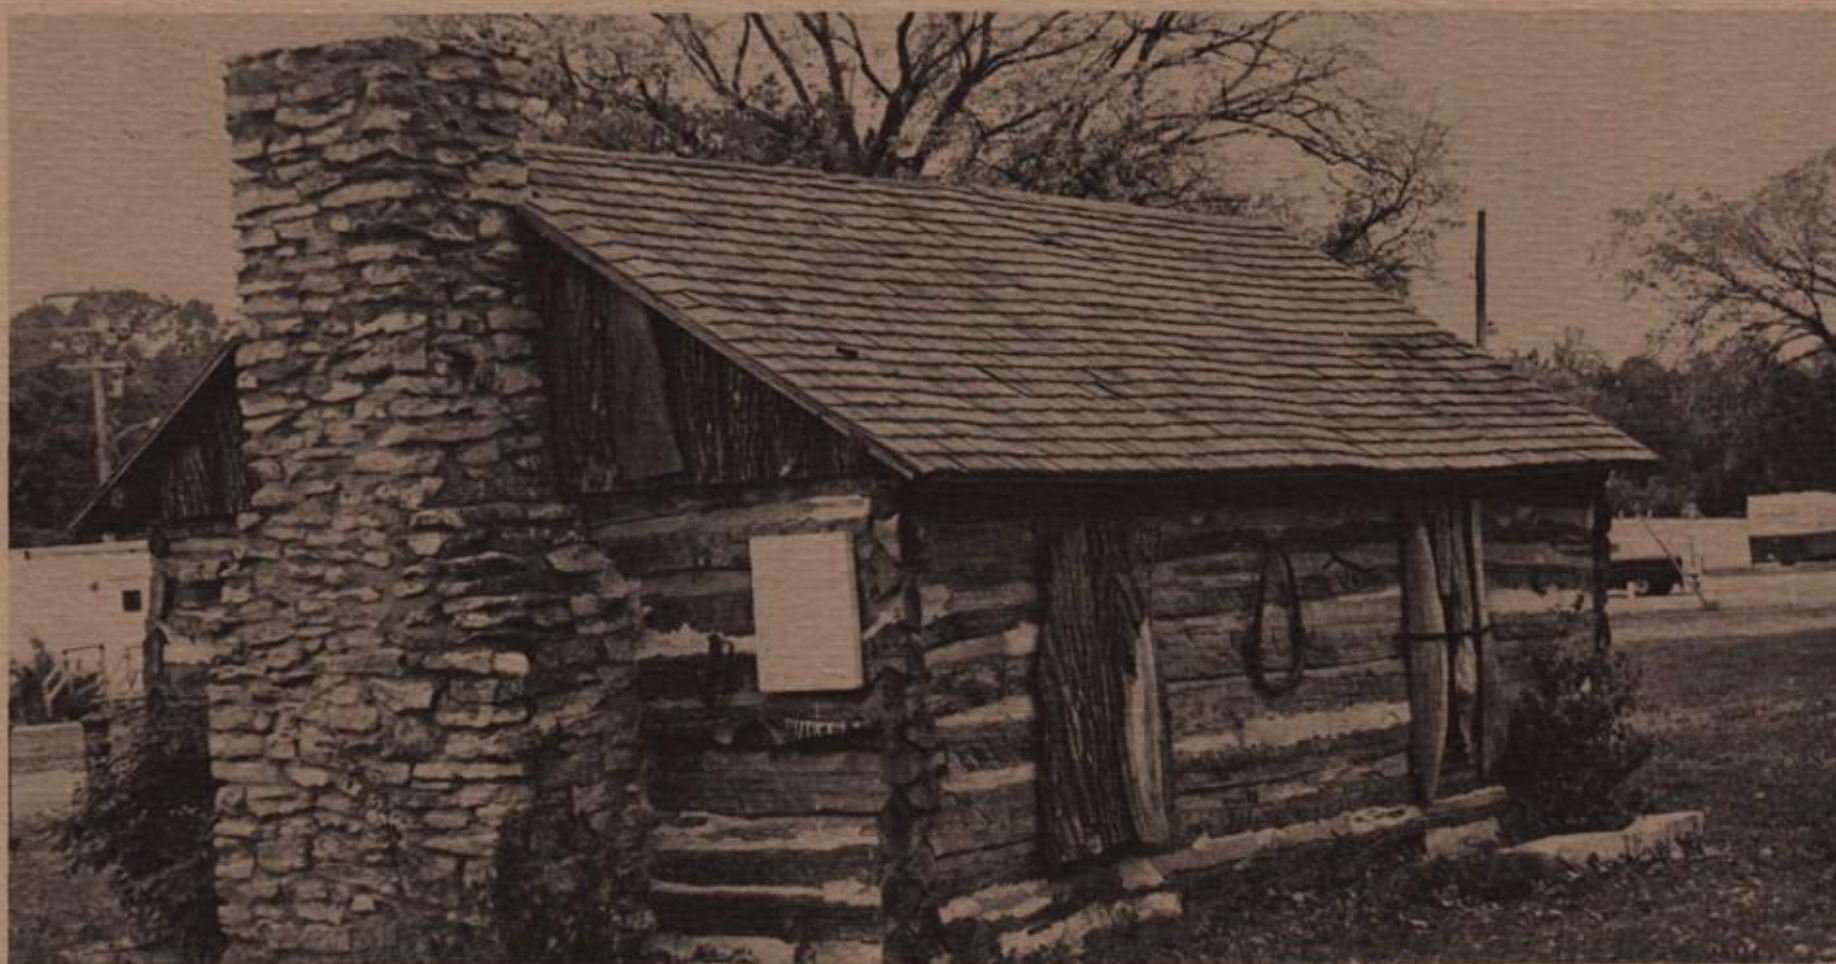

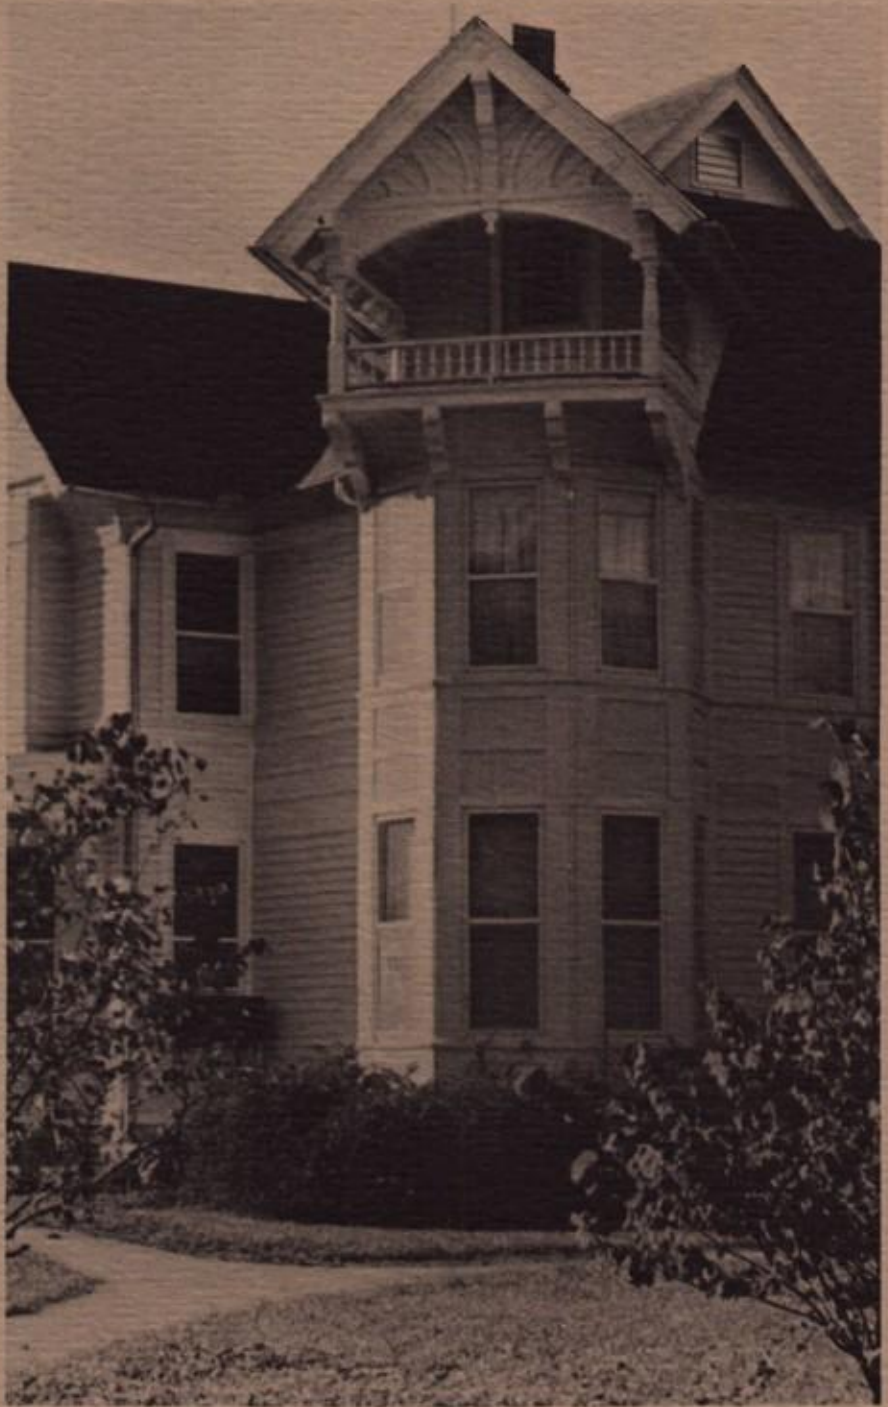

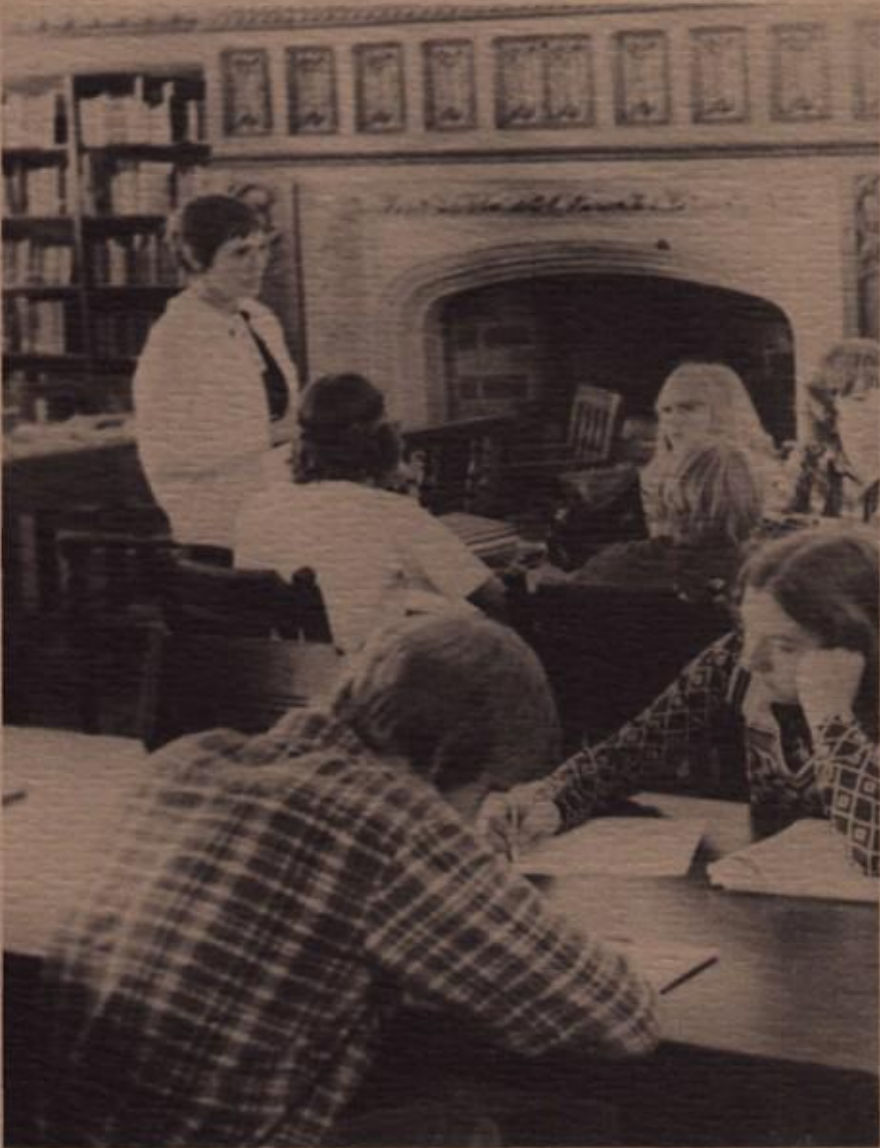

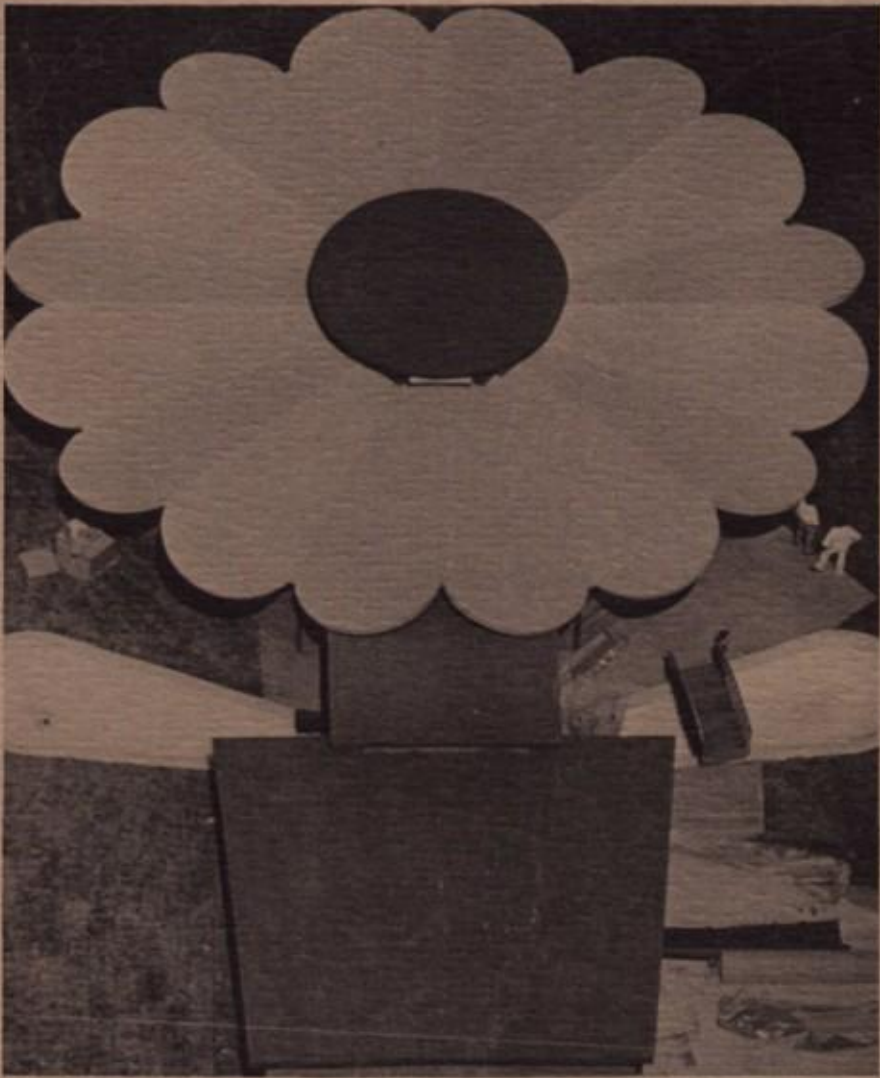

AN American architectural mix, ranging from Gothic to modern styles, can be found throughout the Topeka area.

THS is one of Topeka's most beautiful buildings. Before beginning construction, the Topeka Board of Education made an extensive study of many schools in order to make the ideal structure for THS. Approximately 1,600 people took part in the building design. The architect, Mr. Thomas W. Williamson, took the ideas and compiled them into one unique building plan.

Completed in 1931, THS was the first million-dollar school in the nation and won the 1961 Bellamy Award. The Trojan library is patterned after Hampton Court in England which was Henry VIII's royal castle outside London. Our famous Gothic tower is a combination of designs used in several English towers. The main design used was the Cambridge tower. THS cafeteria was modeled after a Grosse-Point, Michigan cafeteria; and the auditorium, with a seating capacity of 2,408, is in Gothic style.

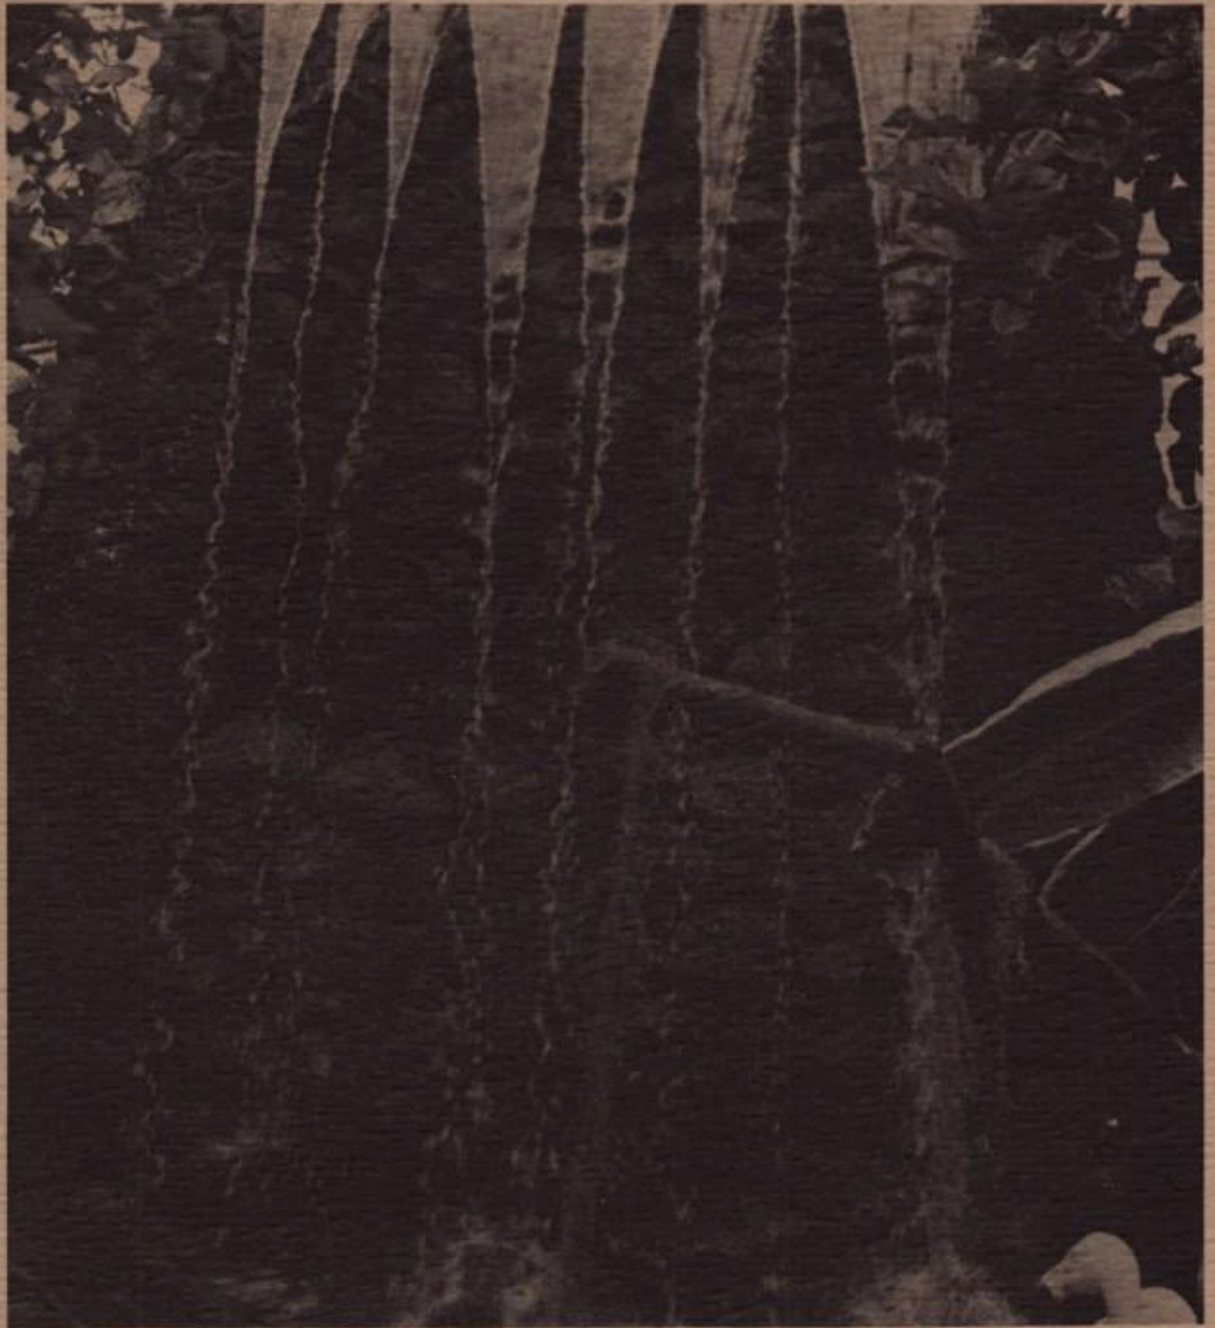

HONORS have come to Topeka because of the Menninger Foundation, the Gage Park Zoo and its Rain Forest, and the Mid-America Fair.

The Menninger Foundation had its beginnings in 1925, in a farmhouse outside of Topeka which is still used as its headquarters. In 1941, Karl and William Menninger established the Menninger Foundation for Psychiatric Education and Research.

The Gage Park Zoo is world renowned for its ability to reproduce young in captivity and its beautiful Tropical Rain Forest, which was dedicated on May 24, 1974, and is the only one in the world. Several Gage Park Zoo animals have reproduced, some being the only ones to do so while in captivity. The Zoo has the only American Golden Eagles which have reproduced in captivity. In 1972, six Bengal tigers were born at the Zoo setting a world's record for having the most Bengal tigers born during captivity. Sunflower, the Zoo's giraffe, was the only one born in Kansas.

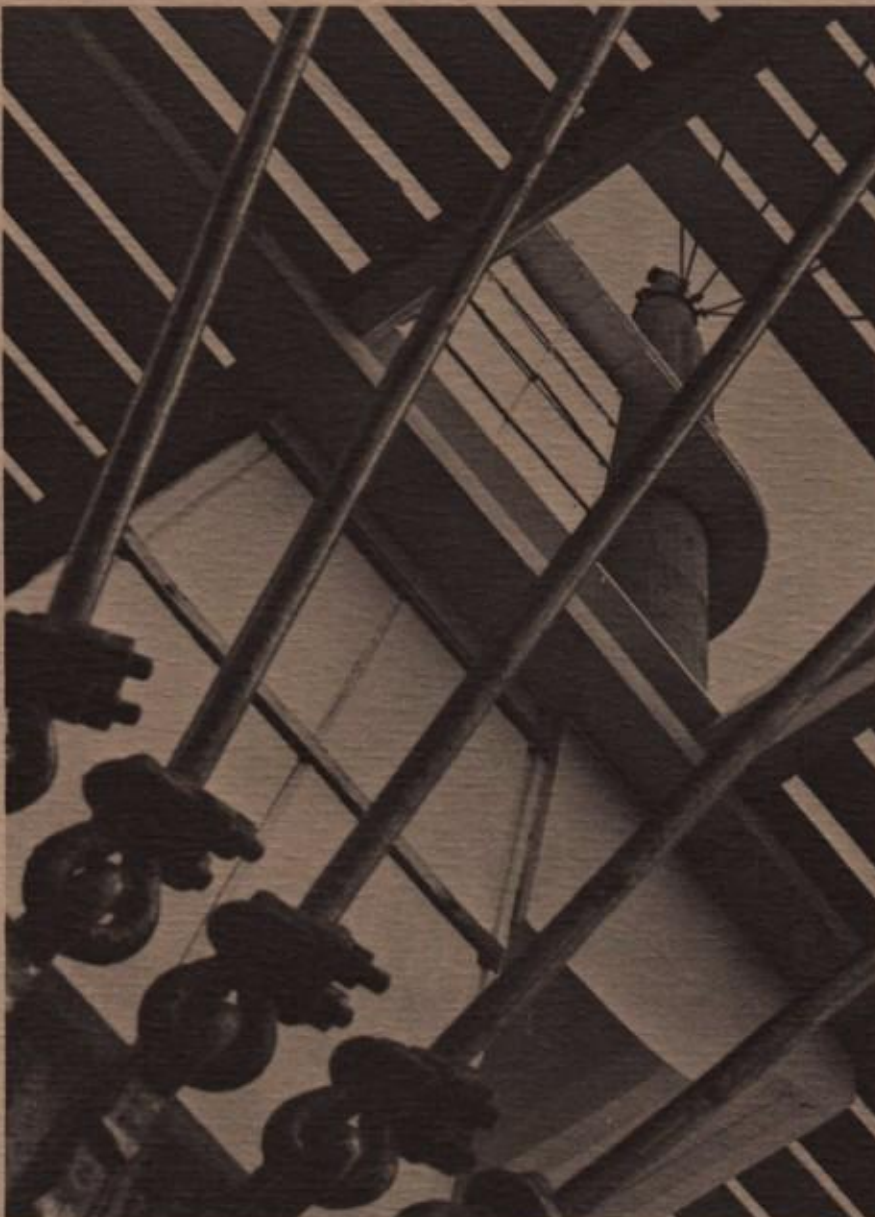

Topeka attracts visitors from all over the state during the week of the Mid-America Fair. Approximately 250,000 people visited the 1975 Fair. Besides many rides and booths, entertainers are the main attractions at the fair. Topeka has had such famous people as the Osmonds, Olivia Newton-John, Mac Davis, Tanya Tucker, Country and Western celebrities and other performers.

THE plains of Kansas are far from the site where the struggle for independence took place. Yet, at THS there stands a silent reminder of the early years of our nation. Through the efforts of Charles Curtis, the flagstaff of "Old Ironsides" can be found on the school grounds. The U.S. frigate, officially named the Constitution, was commissioned in 1798. In the War of 1812, the Constitution distinguished itself in battle.

When the frigate was to be scrapped in 1830, the opposition was so great that it became a permanent unit of the U. S. Navy instead. The spar was given to THS by the Navy and dedicated in 1932 with the help of a group of Sea Scouts from the national flagship "Kansan".

New soph faces appear at school

"Topeka High was a lot different than what I had heard," said Sophomore Cindy Bonjour. "The size impressed me, but I found that once I was inside it didn't seem as large. I like this school, especially because you get to meet so many different people," she added.

Among the old, familiar ones, 621 new faces appeared at THS. Now a yearly event sophomores were oriented to their new surroundings. Around 500 students danced to the music of "Wheat" at the orientation dance. At this time sophomores had the opportunity to join activities they were interested in.

1. Diann Lentz and Rhonda Castle play shuffleboard in their sophomore gym class. 2. Harold Green relaxes on a tire. 3. Sophomores Kriss Brown, Ralph Laris and John Loehr enjoy dancing in the cafeteria. 4. Dressed in bizarre clothes, sophomore Jeanne Kostanski is initiated into Squid Club. 5. Stuart McKinnon dances to the background of swishing skirts and rock music.

Losing record dampens spirits

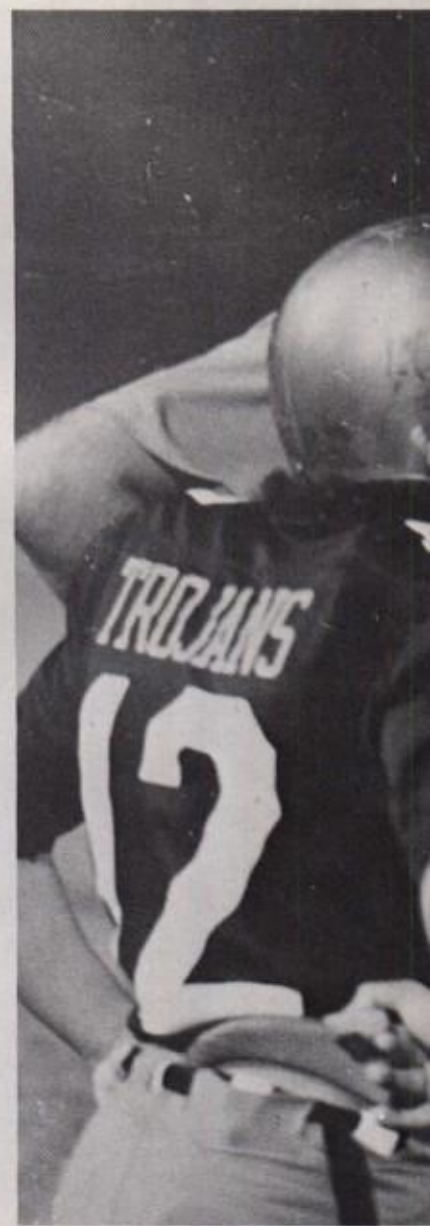

Practices that took hours of hard work and diligence produced frustration, disappointments and a 0-9 record for the football season. Of course, there were exciting, even hopeful moments throughout the season; but somehow they didn't last too long or long enough.

In the words of Quarterback Johnny Johnson, "After we lost to Highland Park and Topeka West, our spirits were down. We knew we were just as good as everybody else, but ..."

"After the 50-0 loss to Shawnee Mission South, we just tried to keep the scores close. I think we could have done a lot better if we would've won either the Highland Park or Topeka West game," he added.

1. At the beginning of the season, student involvement was high. Unfortunately due to the losing record, enthusiasm dwindled at the end. 2. Varsity Football: **FIRST ROW:** Mark Stubbs, Mgr., Lino Munoz, Mitch Gassman, Joseph Tetuan, Ken Hickman, Keith Rice, Aaron Zee, Darryl Coker, Ben Neill, Chuck Howard, Steve Rousey, Kevin Bardsley, Mike Montgomery, Mgr. **SECOND ROW:** Dan Dickson, Mgr., James Herbstreith, Tracy Moorman, Scott Davis, Mitch Duby, Sam Martin, Mark Harvey, Mike Look, Bill Hortenstine, Donald Hawkins, Robert Newman, Larry Desbien, Orlando Zuniga, Carl Skoog, Jerry Henson, Mgr. **THIRD ROW:** Larry Hortenstine, Mgr., Robert Eisenhut, Terry Dudley, Charles Burns, Rick Perry, Greg Miller, Tom Shump, Johnny Johnson, Johnny Hyman, Terry Steuber, Bert Jeffrey, Steve Christian, David Bauerle, Keven Karst, Ron Molden, Charles Cox, Mgr. **FOURTH ROW:** Rick Moore, Tom Gaunt, Tim Wagstaff, Dan Hypse, Clay Schuetz, Thomas Williams, Cornell Sowell, Keith McClellan, Johnny Jordan, Michael Sarkesian, Anthony Myers, Max Kendall, Tom Dring, Frank Rajewski, Herman Quarles, Rick Van Buren, Mgr. 3. Running with the ball, Johnny Johnson dodges opponents and gains yardage. 4. Football Coach Ron Stull demonstrates playing techniques to the Trojan squad who practiced every night after school at Chandler field.

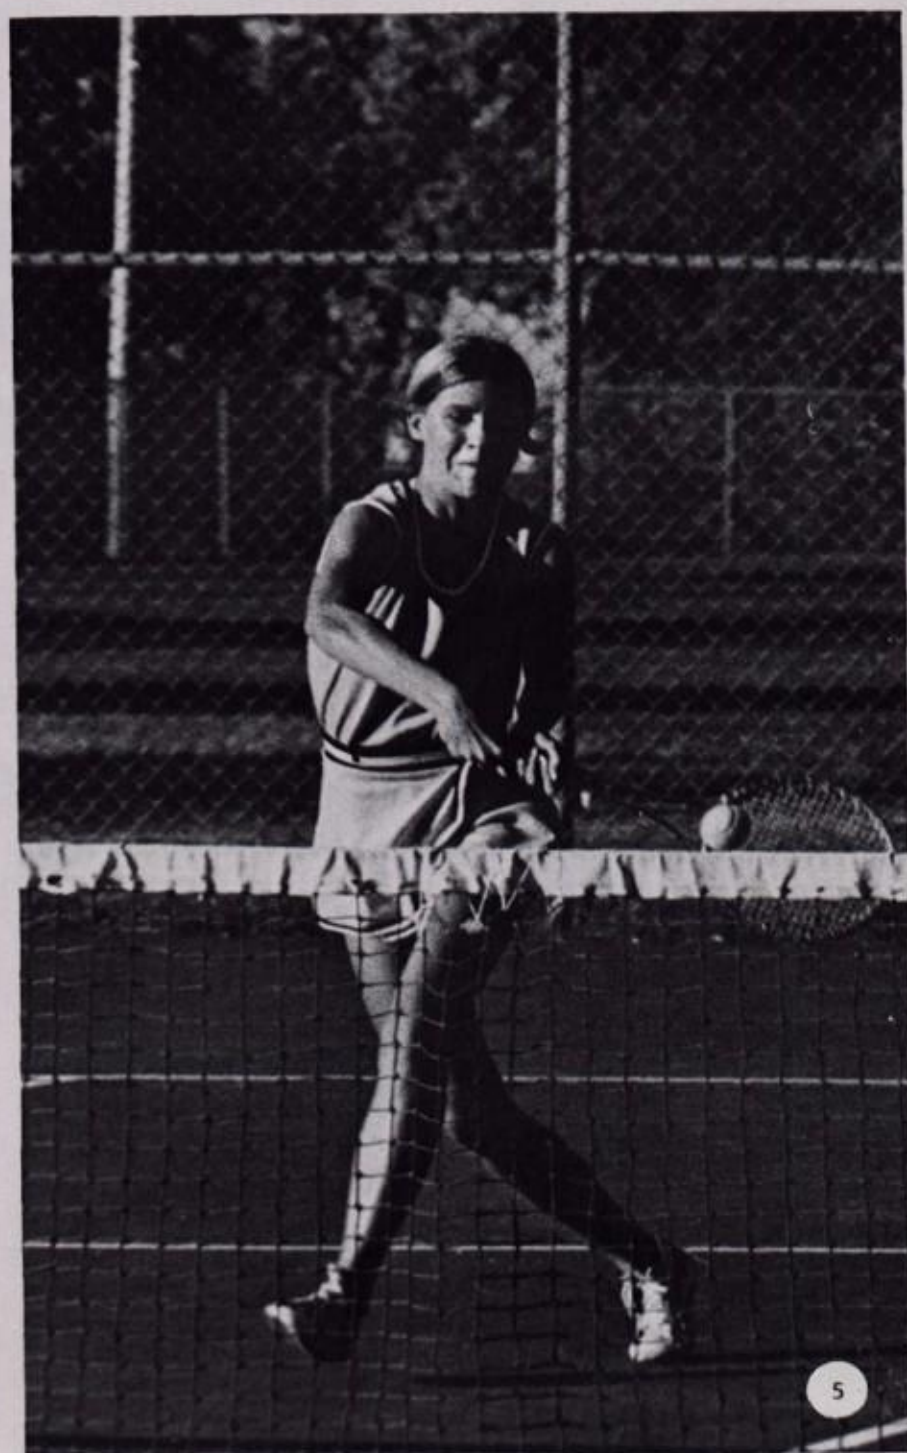

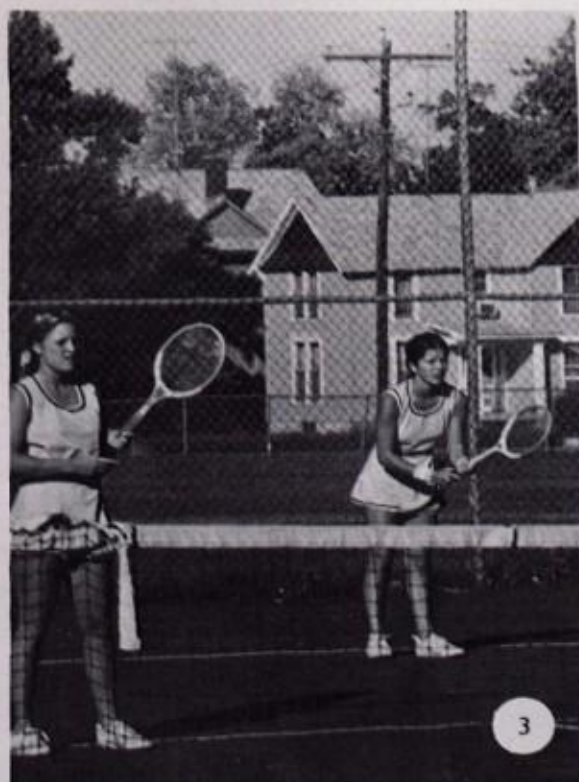

FB hopes lie on underclassmen

According to Coach Ron Stull, two main reasons explain THS' poor football season: not playing well on the road and inexperienced players not producing as much as was expected of them. But as the saying goes, there is always next year . . .

1. Junior Bert Jeffrey receives attention to his injury. 2. Junior James Herbstreith and Senior Johnny Johnson lead the way to the field. 3. Quarterback Johnny Johnson stops to obtain instructions from Coach Stull. 4. Keith Rice runs through loopholes to gain yardage during a JV football game. 5. Junior Tim Wagstaff runs off Chandler field from the huddle. Junior Varsity football ended the season with a 0-9 record.

Doubles team takes Regionals

"Love-love," "singles and doubles" remind everyone of one thing — tennis. The 1975 girls tennis team was also reminding everyone of something else — quality. In the words of Margie Ruckert, girls tennis coach, "It was the best season we've had by far and next season should be better since Senior Susan Ogle is the only one we'll lose from the top six."

The top six players were: Julie Hershey and Beth Dulworth, singles; Gina Gatti teaming up with Jeanette Brooker and Susan Ogle with Wendy Wells in doubles. Twenty to thirty were competing most of the season. The team took second at the city meet as a whole and first in doubles. They also placed first and second in doubles in the regionals meet held at Salina on October 17, 1975.

News staff informs THS students

"The World staff this year was unusually small, but we worked very hard and found that a small, competent staff can produce a high-quality school newspaper," said Editor-In-Chief Barb Buntten.

Rushing around interviewing, taking

pictures, writing up final drafts and making layouts are only a fraction of the work the World staff spent to meet each deadline. Published every three weeks, the newspaper informed THS students of school and community activities.

Girls take pride in team support

Valerie Moore, Jamie Sledd, Debi Tibbs, and Mae Hill had one thing in common: they were all Girls' Varsity Cheerleaders. The girls cheered at all the girl's volleyball and basketball games. They also helped judge at the gymnastics meets.

The four girls attended a training clinic at Rock Springs, outside Junction City, during June of 1975.

Girls capture first city title

Happy and disappointing moments were part of the Girls Volleyball season. Faithfully practicing from mid-August through November, the team ended with a 10-12 record and won the city meet.

Senior Janis Krohe, captain, said, "We had pretty tough competition this year. A lot of our losses were to really good teams, but I guess the highlight was beating Topeka West at city."

She concluded, "I think it was a successful year because we won city which is something THS has never done before."

Girls Volleyball has come a long way from the days when they practiced on the THS roof because of lack of facilities and space. School support for the team has also grown considerably.

Pep, enthusiasm wins spark plug

"Ready, ok!" With lively jumps and chants, the Junior Varsity cheerleaders backed the JV football, basketball, and wrestling teams.

Consisting of six girls, the squad sponsored a car wash and bake sale during the summer in order to attend a cheerleading camp at Rock Springs Ranch.

Captain Diane Deeter said, "We have a great squad this year. We did well at camp and won a spirit stick and a spark plug."

Yearbook theme is Bicentennial

Excitement was the key word for the 1976 Bicentennial Sunflower staff. The staff was involved with research about Topeka and THS and was surprised with the historical facts found.

The 1976 staff was a small but strong group. With Donna Southerland as Editor-In-Chief, the staff worked hard designing layouts, meeting deadlines, and making many decisions. The end of the 74-75 school year meant many before-school meetings to brain-storm ideas regarding this special book.

Although the staff was interrupted by a change of advisors at the beginning of the year, they adjusted well and went on to promote the sale of over nine hundred yearbooks.

Drill Team 53 members strong; entertains Trojan supporters

Cold knees were hidden behind pasted smiles as Drill Team entertained football crowds. Throughout the year, jazz and high-kick routines added zest to half-time activities.

Drill Team officers attended a summer camp where they obtained many ideas for the upcoming year. Perfecting routines required many hours of practice before and during school.

In order to pay for various expenses,

the girls sponsored a taco sell, car wash and sold basketball buttons. Later in the year, they performed during KSU, KU and WU half-time activities.

Summing up her year as captain, senior Sally Hare said, "I wish everyone could have a chance to be a Drill Team officer because we all have grown mentally and are aware of ourselves. I will always cherish this year."

Yelling Trojans add pep, zeal

Standing in front of Trojan supporters with smiling faces, the varsity cheerleading squad and yell leaders provided pep and enthusiasm throughout the year. Time and energy were involved; the squads practiced stunts and cheers twice a week.

"You have to give up other important things to make time for yell leading, but it's worth it," said Scott Moore. In addition to practice and cheering, the squads sponsored a spirit party, skating party and bake sale to raise money for basketball uniforms.

1. Tom Copeland, Brad Koehn, and Scott Moore monkey around. This was their first year as yell leaders. 2. "See no evil, speak no evil, hear no evil." Faye Goslin and Ruth Gleason have both been on cheering squads before at THS. This was Regina Wells first year to be on a squad. 3. Leaning on one another chanting "where oh where . . .", the varsity cheering squads entertained the crowd. 4. Varsity cheerleaders: Ruth Gleason, Faye Goslin, Jeanine Humphries, Liesa Moore, Kathleen Olivia, Regina Wells, Susan Moore and Michelle Payne. Yell leaders: Brad Koehn, Tom Copeland and Scott Moore. 5. Head cheerleader, Liesa Moore, has been on a squad all three years at THS.

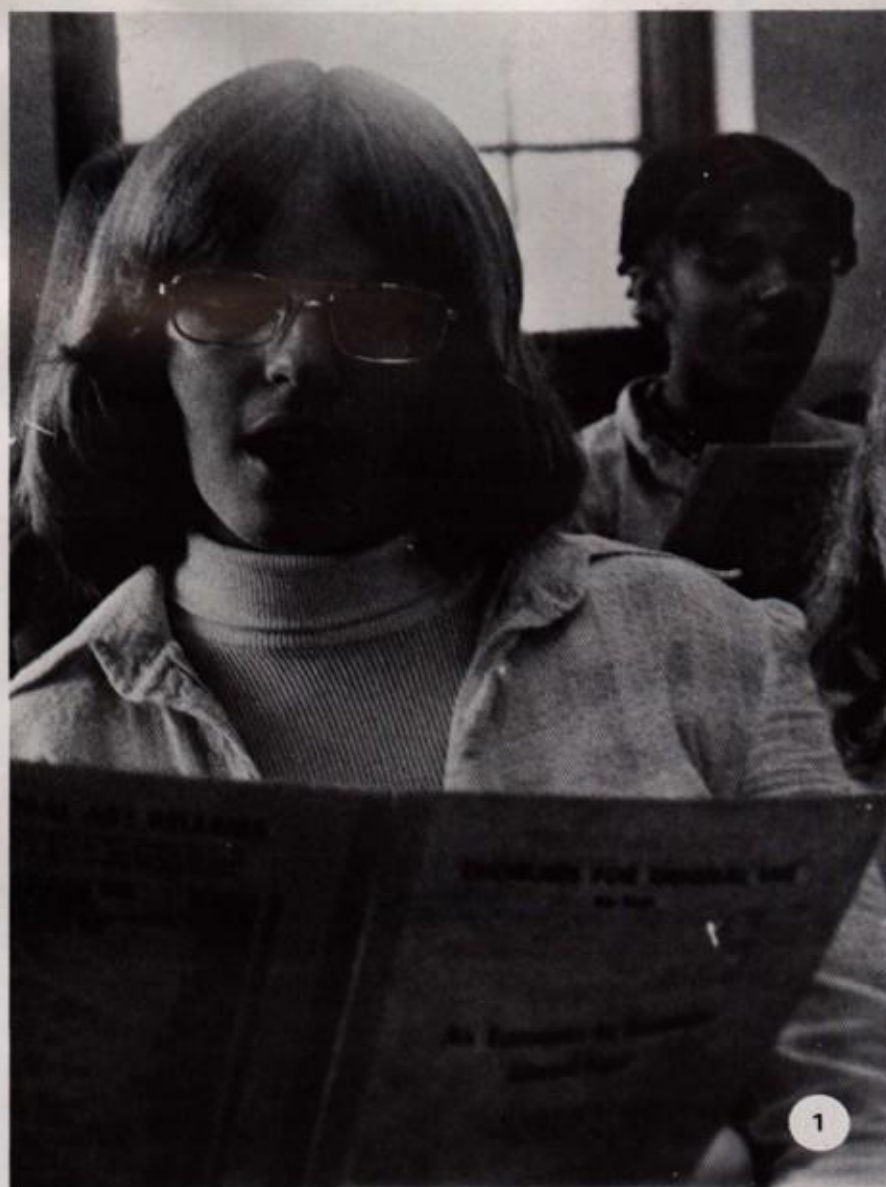

Choraliers gain music knowledge

If you have ever been on second floor during sixth hour, you heard the feminine voices of thirty-seven Choraliers all the way down the hall.

Mr. Elbert Fly, director, listed the three group goals as learning to read a musical score, techniques for proper voice use, and learning to work together as an ensemble.

The group was involved in the Fall Concert which was held on the evening of October 21, 1975. They also sang at Christmas and the Spring Concert.

The sixty-five members were involved in the Fall Concert and the Area Holiday Festival which was held at the Municipal Auditorium on December 22, 1975. Play highlights dinner theatre

Newlyweds living in a small New York City apartment and the troubles they encountered made the dinner theatre play a humorous and enjoyable one. "Barefoot in the Park," directed by Miss Martha Herrick, was performed on October 9, 10 and 11 in the THS cafeteria.

"I enjoyed doing dinner theatre in the cafeteria because it gave me the opportunity to work closely with the audience," said Lori Kirkegaard. "The success of the play is due to the fine direction of Miss Herrick. It was also a great chance to get to know those people better. The play took a lot of tiring rehearsals, but it was worth it," Lori added.

While they were eating, the audience was entertained with dinner music and later with a musical preshow featuring the Madrigals, Girls Ensemble and the Flysmen. A great success, the play was performed for the Secretary's Convention in November.

Spirit week adds smiles, laughter to Homecoming

Cries of "herd- 'em'up" and "trick or treat" were heard throughout the halls of THS during spirit week. Hobos, cowboys and Indians appeared at school. Students amused each other by dressing in warm-up suits and Halloween costumes, and Gold and Black day ended the week.

Spirit week preceded activities for Homecoming '75, sponsored by the Student Faculty Board. The week provided a creative outlet for students and built up excitement and enthusiasm for Homecoming.

1. Scott Roeder could have easily passed for a greaser on 50's Day. 2. Mr. Rapp, art teacher, shows his school spirit by dressing like a greaser. 3. Making their own Halloween Day costumes, Penny App and Tammi Vausbinder dressed as crayolas.

Assembly, floats build enthusiasm

Slides of previous THS queens depicted the theme, 200 Years of Beauty, at the Homecoming assembly. Seniors active in fall sports were recognized. Acting as emcee, Senior Class Vice-President Mark Rafferty introduced Sandra Ford, the '74 queen who was escorted by football coach Ron Stull. Candidates Teri Canfield, Faye Goslin, Judy Hamilton, Patricia Leal, Susan Moore and Kathleen Oliva followed, dressed in formals and escorted by junior and senior men.

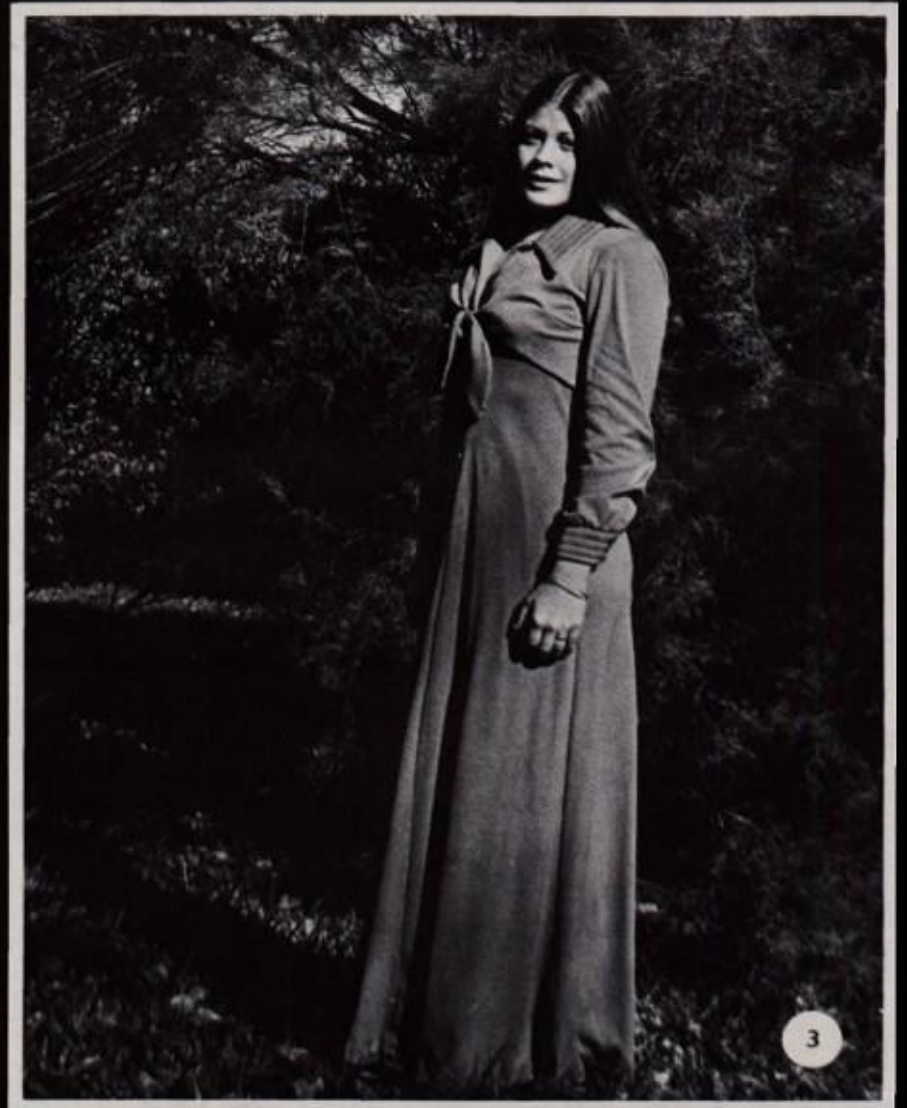

After the assembly, the annual Homecoming parade formed, consisting of 35 entries. Approximately five blocks long, the participants processed down Kansas Avenue.

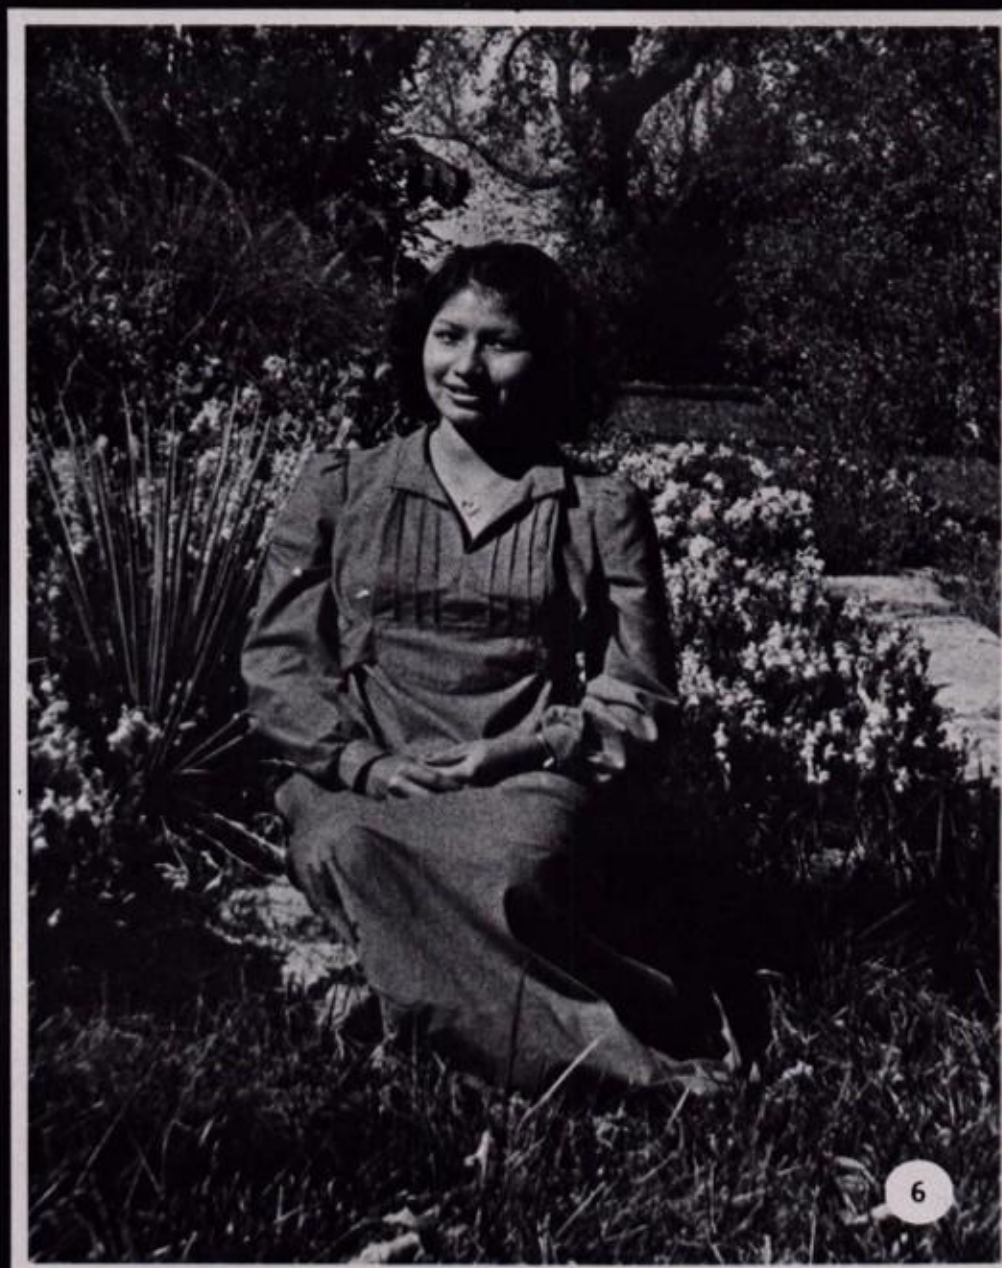

"I think it was the biggest parade we've ever had," said Division A Principal Norman Johnson. Judging the entries, Booster Club awarded FBLA's float First Place as most representative of the theme.

Susan reigns at game festivities

Anticipation and excitement flowed throughout the crowd at the game, all waiting patiently for half-time activities. Cars furnished by the Antique Auto Club carried varsity and junior varsity cheerleaders around the track. Seated in Booster Club's float, the six Homecoming queen candidates followed.

Playing an active part, Drill Team and band formed the letters THS on the football field. Each candidate was escorted from the float to the field by her father or close relative and stood anxiously waiting. Crowned by Mr. Connie Skinner, Susan Moore was all smiles as she became the 1975 Topeka High Homecoming Queen.

"Everything happened so fast," said Susan "But it was probably the most exciting moment in my entire life."

1. Playing against SM East, Trojan crowds wait for the kick-off. Trojans lost to SME, 42-18. 2. Directed by Mr. Don Meredith, the band plays while Drill Team stands attentively. Both groups practiced together before school to perfect their half-time program for Homecoming. 3. Senior Hugh McKernan portrays the THS Trojan; 1975-76 was his first year in the mascot role.

Homecoming '75 ends with dance

Nearly 500 students attended the Homecoming dance following the game. Music was provided by the band, Antiphony. "It was fun. It was a good band and everyone danced," said senior Pam Dinwiddie. The dance, sponsored by the senior class, was held in the THS cafeteria.

1. Warren Evans and Janice Moore, the queen's younger sister, enjoy dancing. 2. Queen Susan Moore takes time out to pose with her crown on in the reference library. 3. Elated, Susan dances on clouds with Brent Hildyard.

Cross Country ruins Lawrence

Cross Country got off to running start this year. The team's main goals were to go under 10.40 in time and to beat Lawrence. They did both. The harriers took sixth in the Regionals which were held in Wichita. Individually, Martin West took first in the state, Anthony Evert took second and Jim Goff took third.

When Senior Jim Goff was asked whether he thought this season was a good one, he replied, "Yea, the best I've been in". Hopefully next year's team will be as good as this years without the help of graduating seniors Jim Goff, Phil Anderson, and Martin West.

Dancers praised for performance

"Life Should be a Dance" was the theme of the Modern Dance show performed in December. Fifty girls, giving a professional performance, impressed faculty, parents and students.

The girls sold candy and baked goods to raise money for the show. In preparation for next year's show, members earned money with a buffet.

Mandala works around problems

The Mandala, the creative writing publication, has been in existence for three years, and five issues have been published. Many subjects have been written about in the form of poetry and prose. Students at THS have contributed greatly with material submitted by themselves. In the 74-75 school year, the staff asked the grade schools and junior highs branching off from THS to give literary material to one issue of the magazine.

Editor Jacob Dickinson headed a staff of sixteen. It took approximately four to five months to complete the 1975 issue. The staff's biggest problem was obtaining enough money.

In November, Mrs. Chris Ives, faculty advisor, took a small group of creative writing students to a conference at Coffeerville. Concerning the Mandala, Mrs. Ives said that much of the poetry submitted was depressing, about death and dying.

The purpose of Thespians as stated by Elizabeth Shepherd, president, was "to share their common experience in the theatre." She said, "I've heard more good comments about the productions this year than any other year I've been at THS. The sets have also been better this year, thanks to Mr. Hanson."

Mr. Mike McCrory, faculty sponsor said in the 76-77 school year the club would change its name and that anyone

could join. He also said there were no club officers because it brought about a feeling of inferiority to the rest of the club. However, there were committee heads for parties and other activities. The club met every Wednesday to discuss projects and events.

Mr. Fly also commented, "The enrolled group worked beautifully and made much progress."

Meeting every day during second hour, Boys Glee practiced singing all types of music. The group, consisting of 11 boys, sang at the fall and spring concert.

Friday, November 14, 1975 was a very chilling night at THS. The production of "Haunting of Hill House" was given in Hoener Auditorium. The play was about a house that possessed people who lived in it. The people were then driven out of the home or killed. The house became deserted for about twenty years. Dr. Montague, played by Phil Cummings, broke the houses's isolation and called together two psychics. His research brings about a series of crises in which Hill House claims another fatality.

The cast was headed by Mrs. Herrick, producing her fifty-first play. Mrs. Herrick said that the attendance was high by THS standards and that there were a large number of students attending the play.

Board active in student programs

Student-Faculty Board kept busy this year with activities. On October 14, 1975 an all-day caucus was held for the student members of the Board. Goals, objectives and plans for the year were discussed at that time.

Student-Faculty Board sponsored the half-time program for Homecoming. They also sponsored Queen of Courts and a canned food drive for needy families during Christmas. In March, the board supported a basketball game between the male faculty at THS and the WIBW basketball team. The board worked with the School Board during the year to alleviate the parking problem by removing some "no parking" signs around the school.

Students sample le petit déjeuner

Sipping cafe au lait, munching on croissants and french bread helped wake up members of the French Club as they came early to school for a French breakfast. "Le petit déjeuner" is actually a continental breakfast.

"Experiencing a little of the French culture" and "having fun" are what the

French Club did this year, said President Nancy Holmes.

Christmas time highlighted their year. After caroling at the Methodist Home, the group had a party and tasted the traditional Christmas log — a cake. French Club also raised money by selling perfume.

Members enjoy Roman festivals

"We hope to encourage young people to take an interest in and appreciate the civilization, language, literature and art of ancient Greece and Rome and to give them some understanding of the debt of our own culture to that of classical antiquity," said Mrs. Hemphill, sponsor.

Carrying the banner "Veni Vidi Vici," the Latin Club participated in the Homecoming parade. A fall picnic at Lake Shawnee, the Roman Saturna-

lia banquet in December and the Junior Classical League State Convention in April were many of the activities that kept the group busy. Latin Club sold treats after school in the spring to earn money.

'Los Picaros' relax, keep active

"Spanish Club gives you a chance to leave the strict classroom atmosphere. You have an opportunity to intermingle with other Spanish-speaking students in a relaxed situation. You learn about Spanish customs in a fun way," said Ruth Gleason, president.

With different activities such as a Christmas party, spring picnic, Homecoming float decoration, as well as eating at Casa Del Sol and selling check-book calendars, the group had a varied and meaningful year.

Mu Alpha Theta shares interests

Mu Alpha Theta met every second and fourth Tuesday to discuss problems and listen to speakers involved in mathematics.

Mr. Yackle, faculty sponsor, said the group goals were, "to allow the members to become acquainted with various topics of mathematics outside the high school curriculum and to provide a setting for social interaction for students who have a common interest in mathematics."

The group sold ice cream bars at the beginning of the school year and had a party in October.

MAYO hopes for scholarships

MAYO involved themselves in many school activities in 1976. However, Ronaldo Zuniga, club sponsor and THS security officer, commented that he would like to see more participation in school activities among members of the club.

Mr. Zuniga stated the purposes of the club as involving the members in more school activities and to help interested students obtain scholarships, job information, and equal representation in

THS.

The club did involve themselves in burrito sales, car washes, a fund raising basketball game and the Homecoming Parade.

"The goals I would like to see accomplished are to have active officers, scholarship candidates, a scholarship board created and a MAYO Fiesta every year for the student body," Mr. Zuniga said.

THS cagers end year with wins

The 1976 Trojan cagers had problems at the start of the season but towards the end the team relinquished their losing streak and came back with a respectable record of seven wins and twelve loses.

The Trojans were led by team captain Senior Earl Brooks. The team started out with a record of 0-10 and just couldn't seem to "get it together". But the cagers never lost their confidence and Coach Willie Nicklin started using a pressing defense. From then on it was down hill all the way. The cagers won one game after another and tied for first place with Lawrence in the Sunflower League.

However, the Trojans were unable to get by Wichita East at Sub-State in Hutchinson and hopes for state competition were left behind.

With returning seniors Mike Sarkesian, Day Hypse and others, hopefully the Trojans will go all the way to first place in the State in 1977.

With the exception of seniors Susan Ogle and Carolyn Miller, the THS girls' gymnastic team consisted of sophomores and juniors.

The teams' scores averaged in the mid-80's, which is considered excellent for such a young group of gymnasts.

The team sent four qualified wrestlers to State including Goff, Evans, Keith Rice and Marc Dodson.

Junior Keith Rice placed second in the state finals and senior Jim Goff placed third.

"I didn't think I had a chance for the state championship," stated Goff. "The competition was pretty tough, but that only made me work harder."

The medley relay placed eighth. The group consisted of Senior Brad Koehn, Sophomores Gary Peters, Lael Martin and John Henley. Koehn also placed tenth in the 100 yard breaststroke and

tenth in the 200 yard individual medley.

Hopefully the team will do better with the return of Martin and Peters who placed seventh in the 100 yard backstroke, eleventh in the 500 yard freestyle, third in the 100 yard butterfly and seventh in the 500 yard freestyle.

Girls end tough, satisfying season

Led by Seniors Chandra Gill and Janis Krohe, the girls' basketball team ended a tough but satisfying season. The girls' agility and quickness compensated for their lack of height.

"Communication within the team was good, but we could have worked harder," commented co-captain Chandra Gill. "Our team was smaller than all other schools, which was a handicap in some games."

According to Head Coach John Gardner, next year's team looks very promising with returning sophomore and junior talent.

1. Chandra Gill battles her opponent for a jump ball. 2. Girls' Basketball: FIRST ROW: Janis Krohe, Demona Ingram, Chandra Gill, Valerie Evans, Lisa Packard, Tessie Escobar. Gymnasts aided with experience

With eleven returning gymnasts, the boys' gymnastic team was aided with experience this year. Senior Scott Moore on floor-exercises and parallel bars and Sophomore Sam Kinder also on floor-ex. proved to be top scorers. Kinder later went on to place first at State.

"Perhaps the season is best described as one of early frustration and late accomplishment," said Coach Fred Miller.

"Personal pride, fostered through team pride has helped the boys of this team mature into fine young men — the type of young men any coach would be proud to have on his team," he concluded.

1. Senior Tom Copeland competes on the high bar. 2. Varsity: FIRST ROW: Scott Case, Sam Kinder, Tom Copeland, Scott Moore. SECOND ROW: Mgr. Support added by Spirit Club

In early fall, through the halls of THS, a movement began to form a "Spirit Club."

Though the football team was experiencing a disappointing season, the student body's support and spirit was unusually high.

Seniors Don Hawkins and Kim Johnston led the student drive with help from sponsors Coach Ted Juneau, Coach Bill Edwards and Coach Jerry Skakal.

Student members made spirit sticks, posters and participated in decorating team members' lockers.

By mid-October, over 300 students and teachers had made a commitment to buy a "Spirit Club" T-shirt.

"Next year plans are already being made to make Spirit Club bigger and better," stated sponsor Mr. Juneau. "The 1975-76 school year should be remembered as the year of spirit."

Musical proves talented cast “well balanced”

“110 in the Shade” is a musical play by Harvey Schmidt and Tom Jones based on the play “The Rainmaker” by Ogden Nash. The play takes place in a western state from dawn to midnight of a summer day during a time of drought.

Leading cast members included File, portrayed by Richard Redick; Lizzie, portrayed by Debbie Bremer and Starbuck, portrayed by David Mannell. Other important characters were played by Phil Cummings, Kreg Hoover, David Nall and Lori Kirkegaard. Mr. Danny Hanson directed the presentation.

“Feelings” given by Squid Club

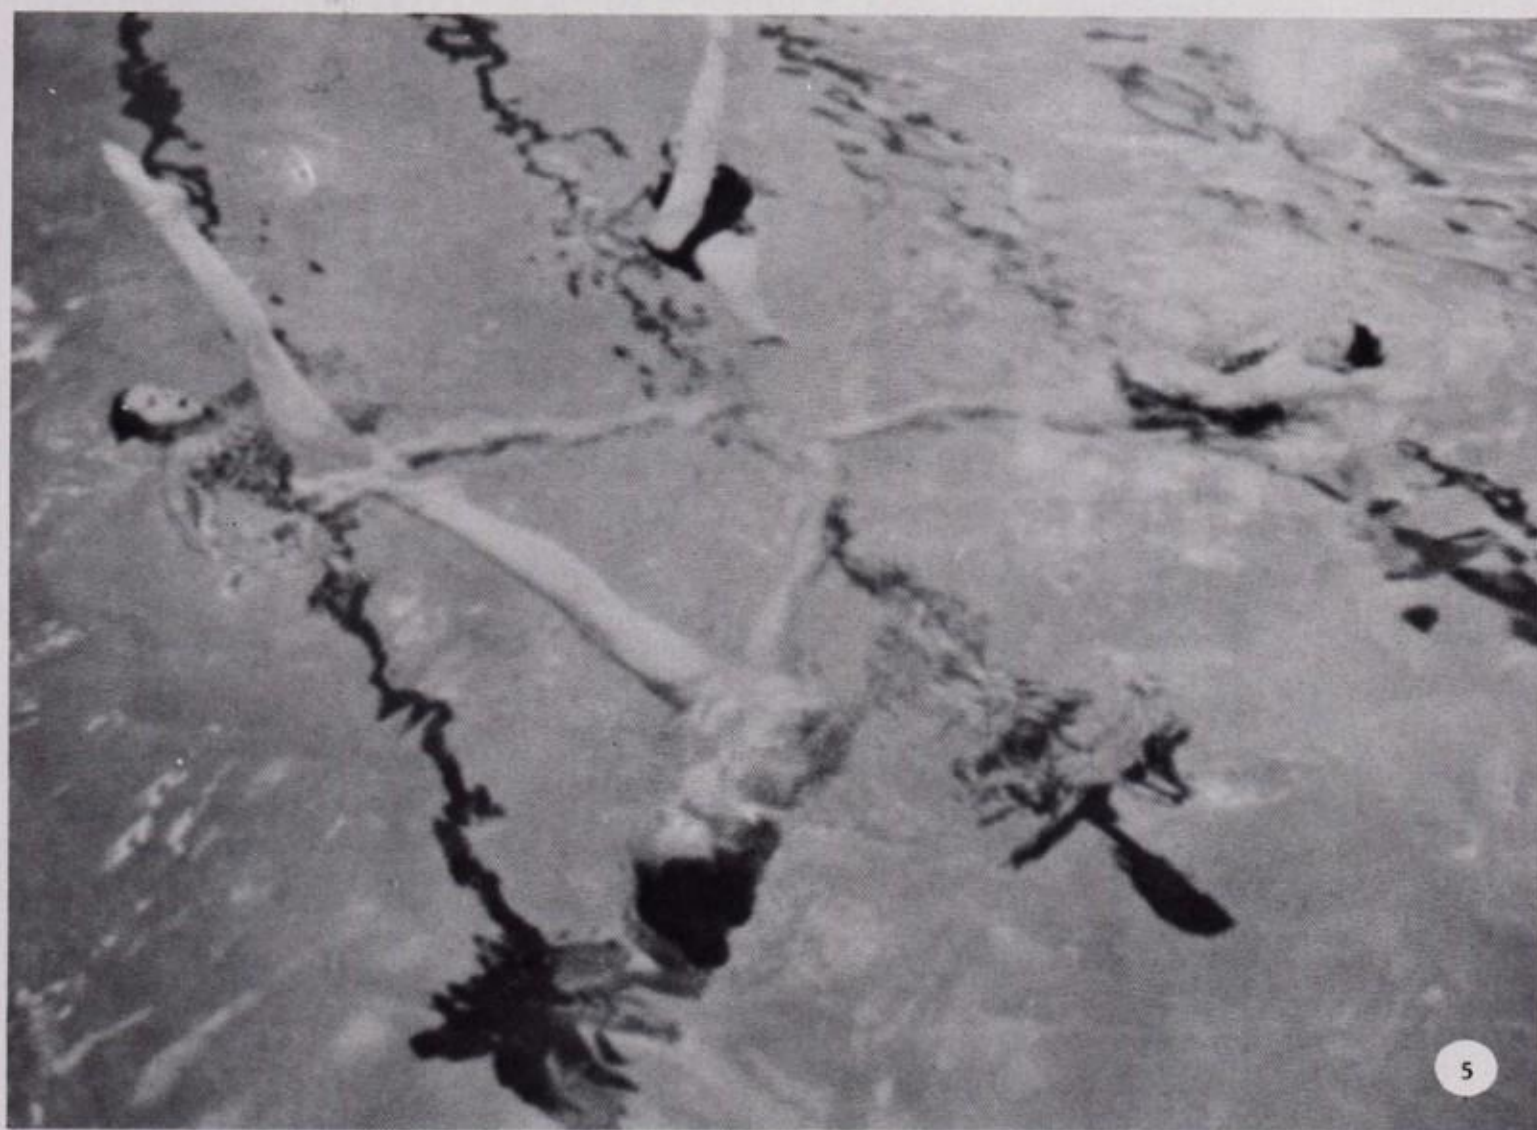

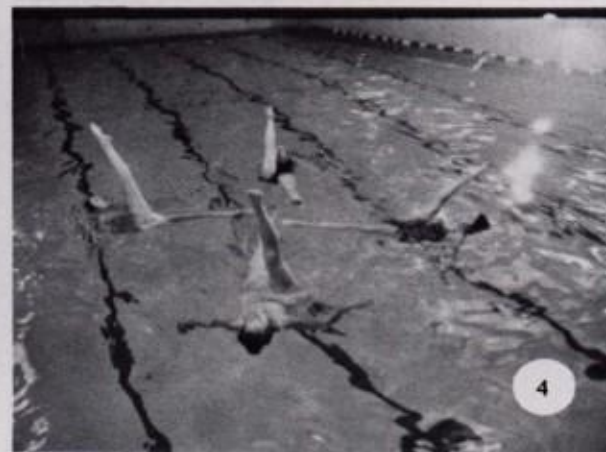

“Feelings” was the theme of this year’s annual Squid Club production. The show included thirteen numbers, each practiced by participants for a half an hour each night before the show.

This year’s Squid Club consisted of sixteen girls including President Peggy McGhehey, Vice-President Kathy Mealman and Customs and Scenary advisors Malia Baumgardner and Ingeborg Larson.

“We had a real good group of girls this year,” stated President Peggy McGhehey. “I think we did really well for the small group that we had to work with.”

Debate team finish winning season

"Many people are involved with athletics which requires physical competition. Not many people are involved with debate which involves competition of the mind. It can be just as satisfying to win a debate tournament as it is to win a tennis match or a football game," said Senior Jim Van Slyke, NFL President.

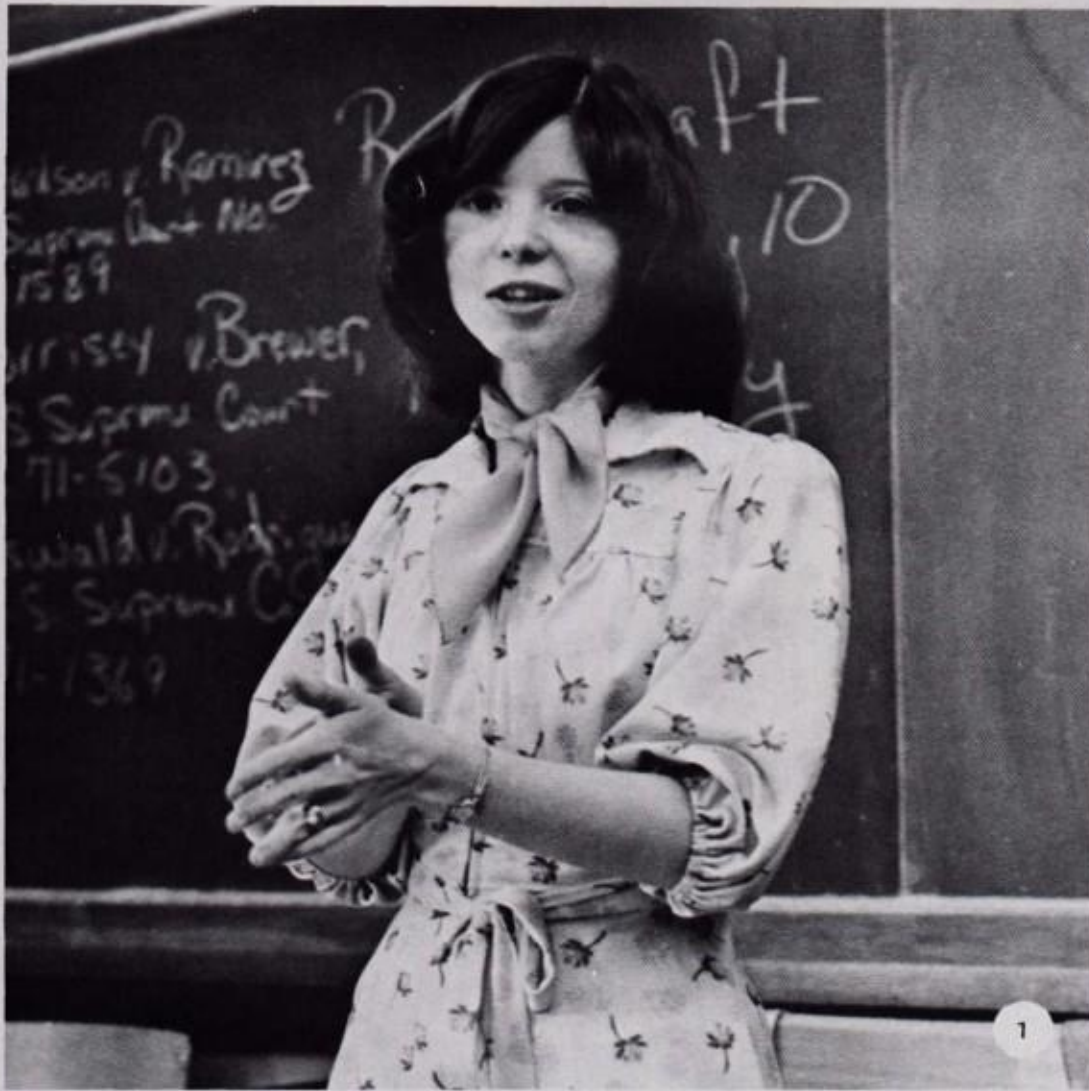

Competing in thirty-four tournaments, the THS debate squad ended a very successful year. Twenty-eight of the fifty-eight debaters lettered. Seniors Jim Van Slyke and Nancy Keeshan placed third at the State NFL tournament.

Debate teams placed at twelve different tournaments. Sweepstakes are awarded to the school with the best combined record for all its teams. THS placed in the top four at five tournaments. Two of these were first place.

1. FIRST ROW, Patricia McClellan, Carey Wilkerson, Mike Hurd, Chris Barber, David Harper, Jon Kirkegaard. SECOND ROW, Andy Reeves, Mike Curry, Brain Seeley. Speech students place in contests

Forensics students attended twelve tournaments, winning twenty-three awards. Thirteen people qualified for the State tournament. Of the eleven who were able to attend, five received gold medals. Senior Jim Van Slyke reached finals at all five tournaments which he attended including the NFL tournament.

"This is the best forensics year we have had. We had people in finals in every tournament so far except one. Like debate, this is a very young team, composed mainly of sophomores and juniors," commented Sponsor Diana Prentice.

1. Mrs. Diane Prentice, speech and debate coach, was named "Outstanding High School Speech Teacher" of Kansas for 1975-76. 2. Instrumentalists display talents

Under the direction of Mr. Larry Harris, the orchestra rehearsed before school for the musical, "110 in the Shade." The group consisted of selected musicians from the band in addition to the string players from the orchestra.

Another group, the Chamber orchestra, was comprised mostly of string players. These students played music from the Baroque and Classical periods at their Spring concert held in the li-

brary.

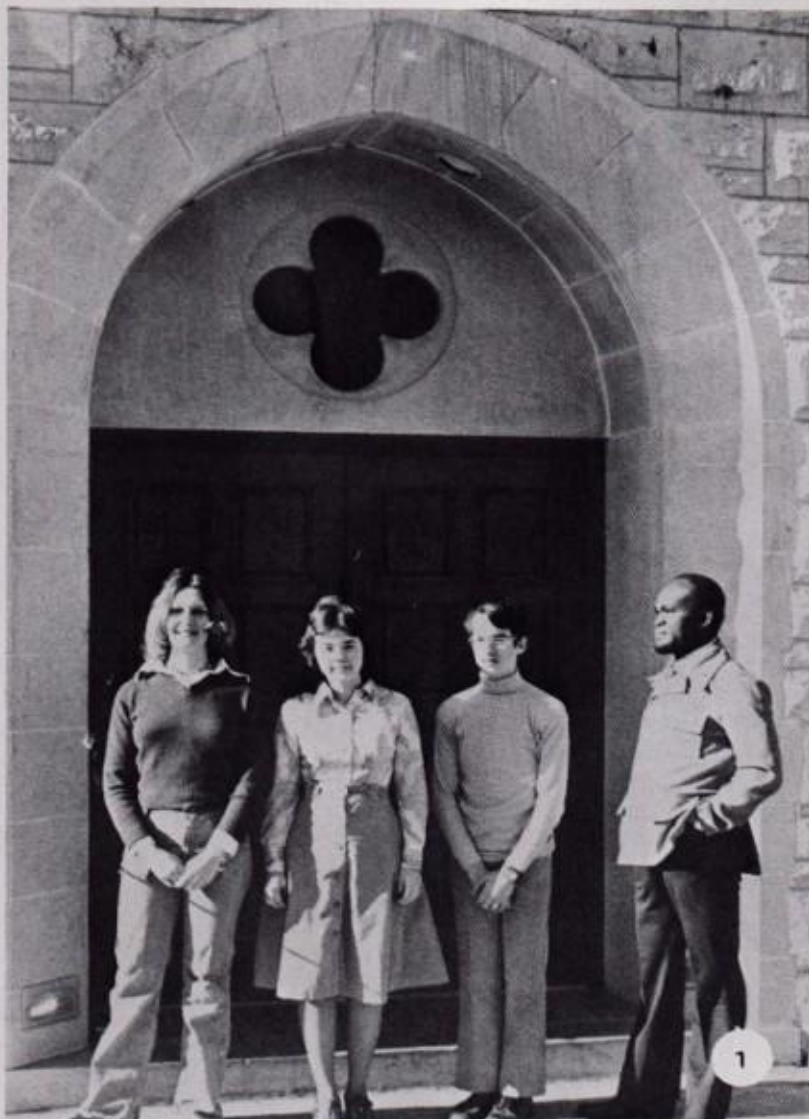

The most outstanding students also participated in extracurricular activities

"A high percentage of players from both band and orchestra also participate in the Topeka Youth Symphony, Civic Symphony, District and State Honor Bands and Orchestra, and State Music Festival," said Mr. Harris.

FISH discusses topical subjects

The purpose of Fellowship in School Halls (FISH) is "to get together to talk about things that might bother you," said Mr. Ernel Henry, sponsor. Topical subjects such as the Bible and life are discussed at meetings. What happens to the body after death and whether a Christian can ever be lost were two other questions researched by members.

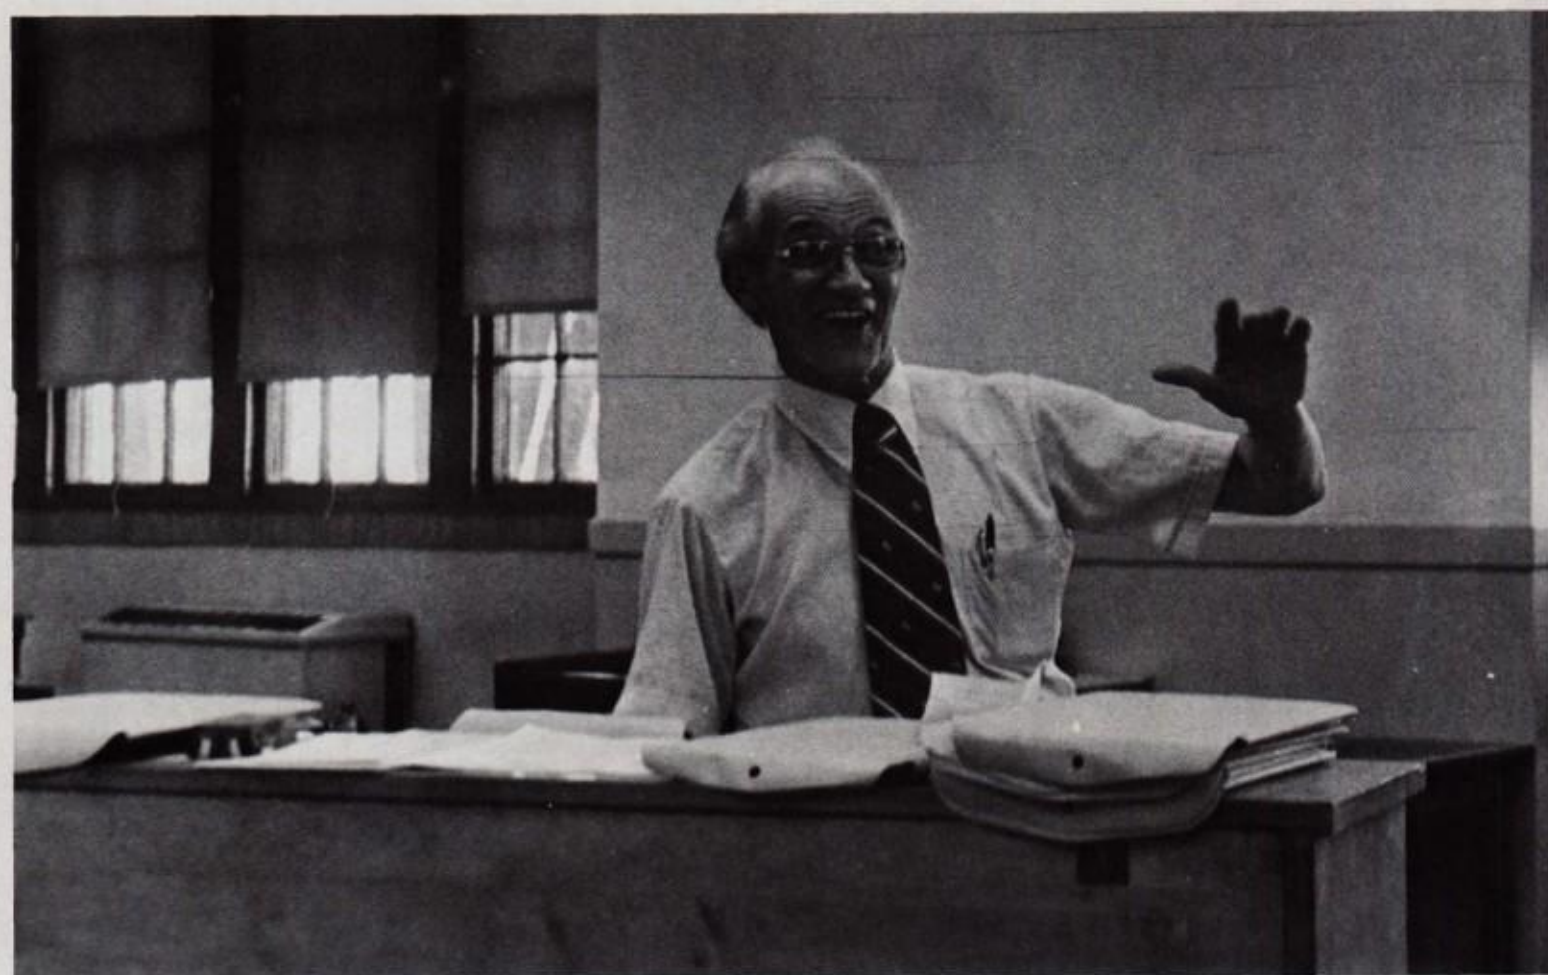

The club sold tickets to the movie, "Hazel's People," to earn money. No president resided over the twice-a-week meetings, but one may be elected next year.

1. Fish club members Kay Ekey, Jacque Ubben, Doug Parker and sponsor Mr. Ernel Henry. 2. Mrs. Diane Lee leads the discussion at one of the club's meetings first semester.

Fly retires after 23 years of work

After 23 years of teaching, Mr. Elbert Fly retired at the end of the 75-76 school year. He had been the vocal music instructor of over 4000 students in his mixed choirs, girl's and boy's choirs. Mr. Fly's fine talent and leadership will be missed by all of Topeka High School.

Council allows student input

The Principal Advisory Council allows student input on school policies. The atmosphere is "very relaxed and comfortable, which makes it easier to discuss some of the school's problems," according to Barb Buntten, a member of the council.

The organization is not a club, but is composed of representatives of various groups, such as the Black Student Union (BSU), journalism and class officers. There is also a balance of sophomores, juniors and seniors and general representatives of the school.

A specific goal doesn't exist; it's mostly a matter of conversation during the monthly meetings. "A lot of rumors that go around the school come up in the meetings. Some are cleared up and others still remain as problems, but discussing them out in the open helps the whole school," said Barb.

Mr. Fink who sponsors the club with Mr. Skinner, said, "They've given us thoughts on changing policies on school social activities."

1. Board members listen as Senior Barb Buntten states her opinion on a school issue. 2. Principal Advisory Council: Teri Canfield, Leslie Vigus, Meggin Wykert, Carol Hedges, Tanya Hayes, Phil Montgomery, Damaris Eppinger, Orlando Zuniga, Barb Buntten.

Tennis team has outstanding year

According to Coach Tim Heston, this year's tennis team was comprised of youthful, exceptionally good tennis players. All juniors, the top three players were Joel Hoffman, Neil Foth and John Runnels. Hoffman, with a record of 26-0, won the Manhattan, Emporia and Topeka Invitational meets. He also owns the League and Regional titles. Foth and Runnels, 25-1, also won all tournaments in the doubles division. All three players went to State claiming both the singles and doubles titles.

Sophomore Brett Blair and Senior Tom Ashley ended the season with a 24-5 record. They received medals at all meets, and won first in number two doubles at the Sunflower League meet and qualified for State competition.

The four-man team consisted of Seniors Larry Desbien and Brad Koehn and Junior David Desbien and Sophomore Gary Albrecht. Senior Tim Larson and Junior Rick Sands headed the two-man team.

Rebuilding year exceeds hopes

"At the beginning of the season, I said that it was a 'rebuilding year'. They've exceeded what we expected of them. They've done really well," said Miss Jan Magnuson, girls' track coach.

At the State Meet, the girls placed first in the 440 relay and the 440 open, second in the 880 relay, third in the long jump, in the 880 run and in the 220 and

"Matchmaker" well received

"The Matchmaker", a farce set in the 1880's and directed by Miss Martha Herrick, tells the story of vain Horace Vandergelder's search for a wife.

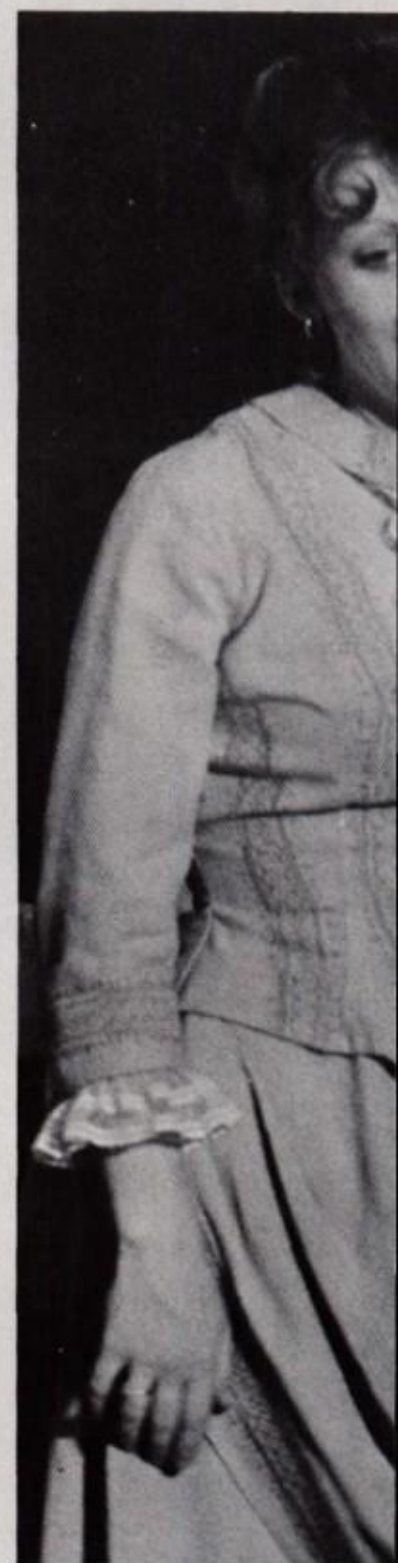

Sandy Mathews and David Vicory, student directors, spent much time in aiding cast members with their lines and

in publicizing the presentation, which included a horse and buggy, carrying cast members, driven through Topeka.

Three beautiful bustle dresses were designed and made by Gina Coniglio. The four colorful sets were built by a hard-working and dedicated stage crew.

Dolly Levi tells Horace Vandergelder that she intends to marry a "far more pleasure-lovin' man" than he is. 3. Irene Molloy dispairs as she confides to Minnie Fay that she's not happy in the millinery (hat) business and al-

ways suspected of being a wicked woman. 4. Dolly Levi comments on how young and fit Horace Vandergelder, dressed for his lodge parade, looks for his age. 5. Horace Vandergelder waits impatiently for Dolly Levi to bring a prospective wife, a product of Dolly's imagination, to dinner.

AFS supports foreign students

For students to have a better understanding of foreign students who come to Topeka High for a year and for those who go abroad to be aware of other countries are the purpose of the American Field Service (AFS).

"This has definitely been another successful year for AFS. Many things were accomplished which I feel brought about unity not only among THS students but among students from all over the world," said AFS President Cheryl Hadden.

To be able to provide the visitors with tickets to the school's activities, the club sold candy bars. Cheryl concluded that the "whole year (was) another good memory for THS."

1. Returning home from one year spent in New Zealand on the student-exchange program, Senior Carita Holt is met by her parents and friends. 2. Carolers sing German songs during their Christmas party. 3. AFS members Cheryl Hadden, Nancy Ott, Beth Gehrt, Jana Richardson, Robb Nicolay, Iraida Vazquez, Sandy Matthews, Robin Taggart, Joanna Gehrt and Tammy Palm carol outside homes. 4. May Flowers, Trojan Towers

Pastel yellow, green, pink and blue crepe paper forming May poles and a tunnel created the atmosphere of the 1976 Jr.-Sr. Prom.

Sponsored by the Junior Class, couples danced to the sound of Hot Foot in the THS cafeteria on May 1.

Punch and party snacks refreshed the crowd as pictures were taken in front of a flower-covered swing.

1. May poles and the crystal ball added a romantic touch to the evening. 2. The band, Hot Foot, played many of their own compositions as well as popular songs. 3. Juniors Shelley Grant and Brian Dixon dance among the crowd. 4. Near the end of the party, students enjoy slow dancing. 5. Junior Ann Alexander serves Senior Kurt Bahr a glass of punch. 6. Students talk with security officers and Principal Paul Fink under the colorful crepe paper tunnel which lead to the cafeteria.

Exercises held at Moore Bowl

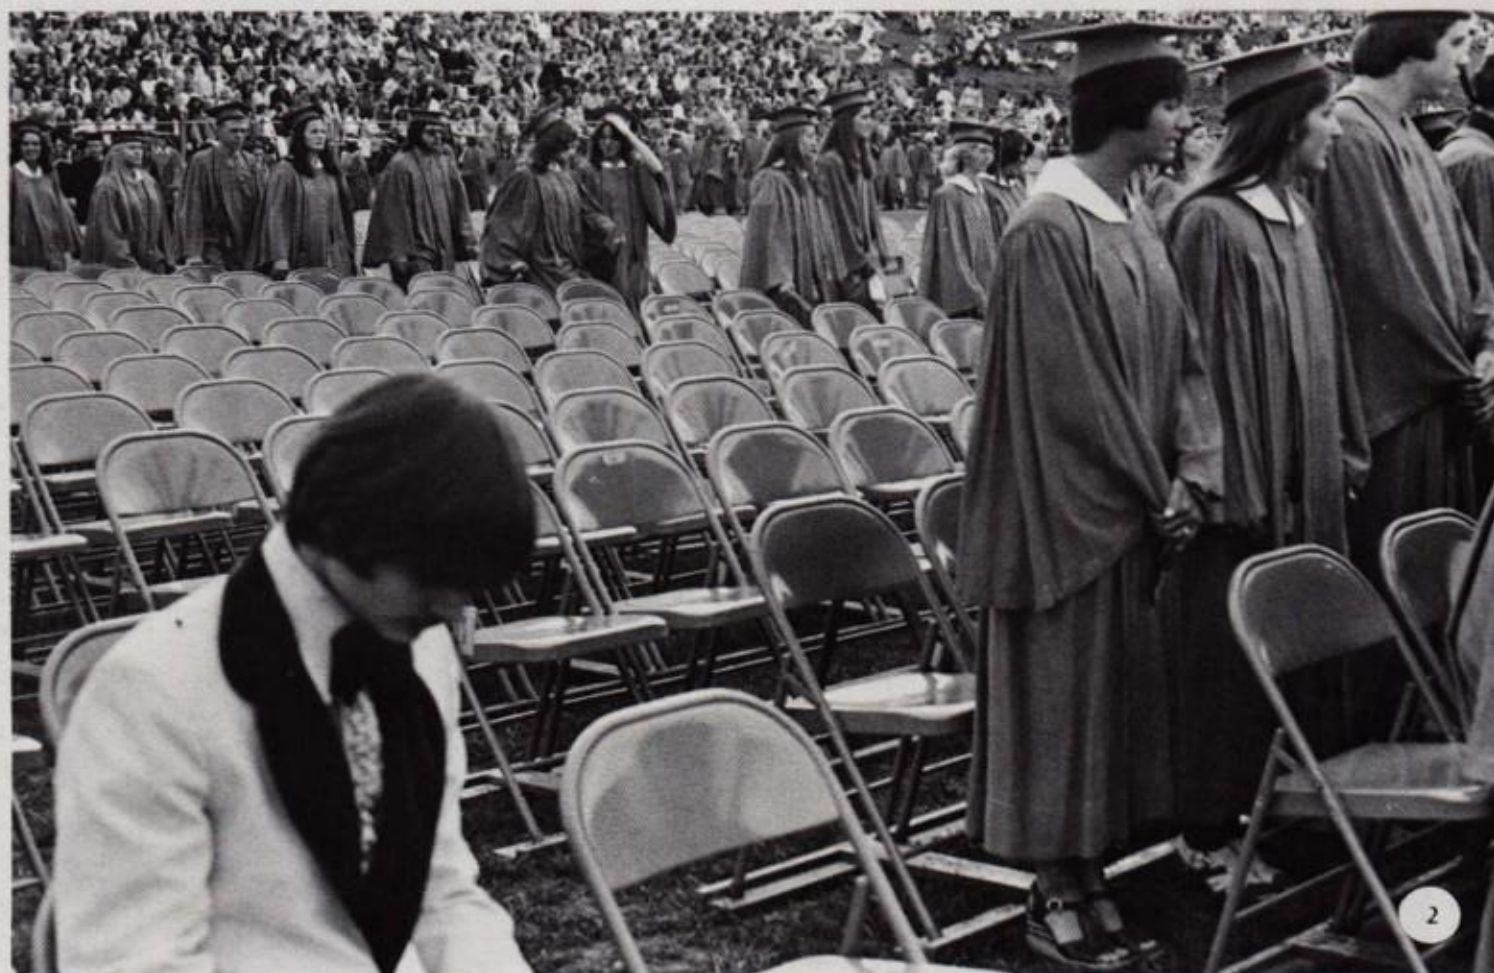

As the long pastel gowns worn by the junior members of Daisy Chain caught the evening breeze, approximately 475 seniors stood impatiently awaiting for a signal to begin that once in a lifetime walk down to the center stage on May 25 at Moore Bowl.

The scene was a familiar one to those who have had a graduating relative or friend at THS before, but to the seniors who walked proudly across the stage, it was much different.

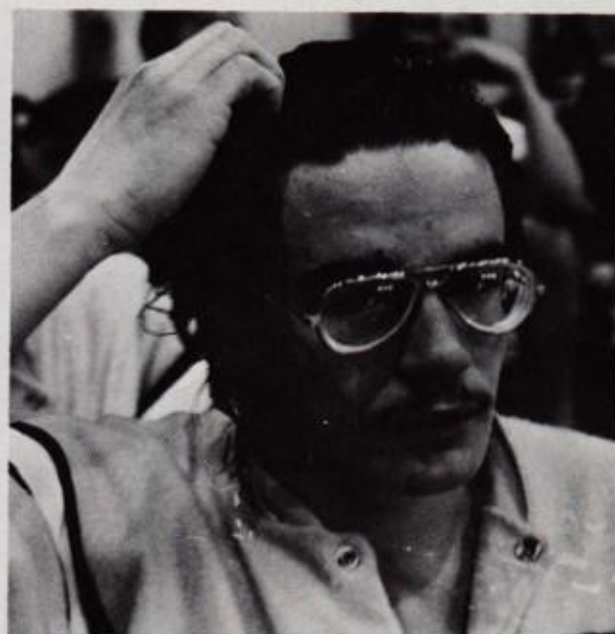

The commencement exercises featured speaker Judge E. Newton Vickers. Also present on the platform were members of The Board of Education accompanied by THS Administrators.

Mr. Don Meredith and Mr. Elbert Fly were in charge of the music. Mrs. Bea Summers and Mrs. Annette Kresie were the organizers of the Daisy Chain.

Pioneers

Board of Education

"This has been a busy year for the Board of Education. We have a new Superintendent of Schools. We have adopted a Citizen Advisory Committee, a long range plan for consolidated facilities, and worked towards constructing a new administration building," said Board President Mr. Wayne Stratton.

Principal Fink

"Education is often talked about in terms of growth —not the physical kind, but the kind that gets people closer to being the best they can be. Topeka High has "grown" this year — sometimes in spurts, now and then in the wrong direction, but in the great majority of cases we have grown up and out, getting closer to the best we can be," said Principal Mr. Paul Fink.

Vice Principals

"Much has been achieved at Topeka High School during this school term. Although the year began with adversity, the students, parents, faculty, administration and staff cooperated to make this a successful and meaningful year," said Vice-Principal Mr. Connie Skinner.

"The year has marked the beginning of renewed vigor and effort for the community to see THS as it really is . . . a microcosm of the city with countless opportunities for students," he concluded.

Office workers

"All of our secretaries are here because we enjoy the association with young people. The secretary in the school system is very different from other secretarial positions. It revolves around student activities such as athletics, drama and social events," said Mrs. Bertie Hassler.

"The time between enrollment and book rental fees and graduation and diplomas passes very quickly."

"Education is a team effort with students, faculty, administrators and secretaries. Secretaries sometimes serve as a link between teachers and administrators and sometimes the home," she concluded.

"A healthy student, a clean environment and a good education is our goal here at Topeka High School," commented Mrs. Ida Norman, school nurse.

1. Secretaries. FIRST ROW: Helen Jewett, Betty Hobbs, Alice Hoad. SECOND ROW: Dorothy Boylan, Lela Russell, Mary Whitney, Leona Payeur, Naomi Woodburn. 2. Bertie Hassler. 3. Linda Lynch, enrollment clerk. 4. Ida Norman, school nurse.

Counselors

The counselors commented, "Counseling is fun, challenging and frustrating. We try to meet individual needs quickly on the basis of anything the students wish to share. Counselors help students to look at the different available choices for their lives.

"The role of the counselor is as varied as the needs of the individual student."

1. Students watch Mr. Monte Miller at enrollment. 2. Counselors: FIRST ROW: Sally Kahle, Terry Toomey, Mary Ann Jennings, Steve Ingram, Ray Ann Burdick. STANDING: Jack Taylor, Monte Miller, Virginia Acheson.

Media Center

"During the 1975-76 school year, the THS Media Center served as a demonstration media center for Kansas. Many teachers, librarians and school administrators visited THS to observe the THS Media Center program," said Mr. Daniel Callison, Head Media Specialist.

"During the year and in the future, I hope that the Topeka High Media Center will attempt to develop educational programs which met the individual purposes and developmental needs of students and help to prepare students to resolve the problems that continually confront them," he concluded.

1. The Media Center provides students with a quiet atmosphere in which to research and study.
2. THS Media Staff: Betsy Barnes, Maxine Dever, Ruth Gladfelter, Donna Hilmes, Danny Callison.

Language Arts

"Perhaps few people realize how broad the Language Arts Department is. It covers everything from required Composition I to Mass Media. The students enrolled in the various courses have gained much," said Department Head Mrs. Diane Goheen.

"The debate and forensics squads are fine examples of success achieved both in class and outside of class. Few things can replace the experiences students have gained in such areas as Journalism and the Theatre Arts," she added.

1. In addition to teaching, Martha Herrick directed the Spring and Fall plays at THS. 2. Alana Steiman taught social studies courses as well as language art courses this year. 3. Mathematics

"The math department at Topeka High School offers a well-rounded program which tries to meet the needs and desires of the student population. Today we have quarter courses which concentrate on particular topics in mathematics and year-long courses that cover a wide range of topics.

"We are continually considering changes which will benefit the students. I feel we have an excellent department," concluded Mr. Clifford Yackle, mathematics teacher.

1. Mr. Harriette Talley takes time for a hand in a mathematical card game with her students. 2. Math Department. FIRST ROW: Harriette Talley, Vicki Smith, Sue Baughman. SECOND ROW: DeWayne Dirks, Clifford Yackle, Erwin Penner.

Social Studies

"Social studies is the activity of man pursuing his purposes and interests. The forte of the Social Studies Department at Topeka High is allowing students diversity of study and the opportunity to enrich their knowledge of historical, political, economic and social phenomenon," said Mr. Gayle Garrelts, Department Head.

"We do not, however, value relevance over scholarship. Thinking with conviction about what matters is scholarship at its finest, and those students who expect to reap benefits from a program of study must undergo the fatigue of participating and supporting it," he concluded.

1. In his customary pose, Patrick Ryan taught U.S. Government and Kansas History. 2. Social Studies Department: FIRST ROW: Harley Becker, Judy Cromwell, Harold Van Slyke, Milton Patterson. SECOND ROW: Ernel Henry, Gayle Garrelts, James Carter, Chris Lovett, Bill Edwards.

Art

"We emphasize the provision of creative art experience for every student. This is based on our belief in the unique quality of each individual, his need for self-fulfillment and the importance of his contribution to the lives of others," said Department Head Mr. Marc Rapp.

1. Nancy Marshall, Marc Rapp and Jean Bass find an unusual setting of John Currey's mural in the Capital building an interesting place to pose for a picture. 2. Mr. Marc Rapp lends assistance to Sophomore Craig Harmon.

Business

"The purpose of the business curriculum is to provide students with knowledge of jobs available in the business community, to provide students with knowledge of basic economics and consumer information, to help students develop characteristics necessary to interact with other individuals and to provide each individual student with an opportunity to learn skills and gain knowledge necessary for his or her personal and employment use," said Mrs. Sheila Heine, business teacher.

In addition to providing practical skills, Industrial Arts courses can provide a feeling of accomplishment which allow them to make better use of their leisure time," said Department Head Rodger Stout.

A JUNIOR. Finally beginning to settle down, to feel emotional stress fade deep into childhood and grow, slowly, into an adult.

Sitting unsteadily on the brim of decision while pushing reality out of your mind and reaching for an answer, to a question of the future.

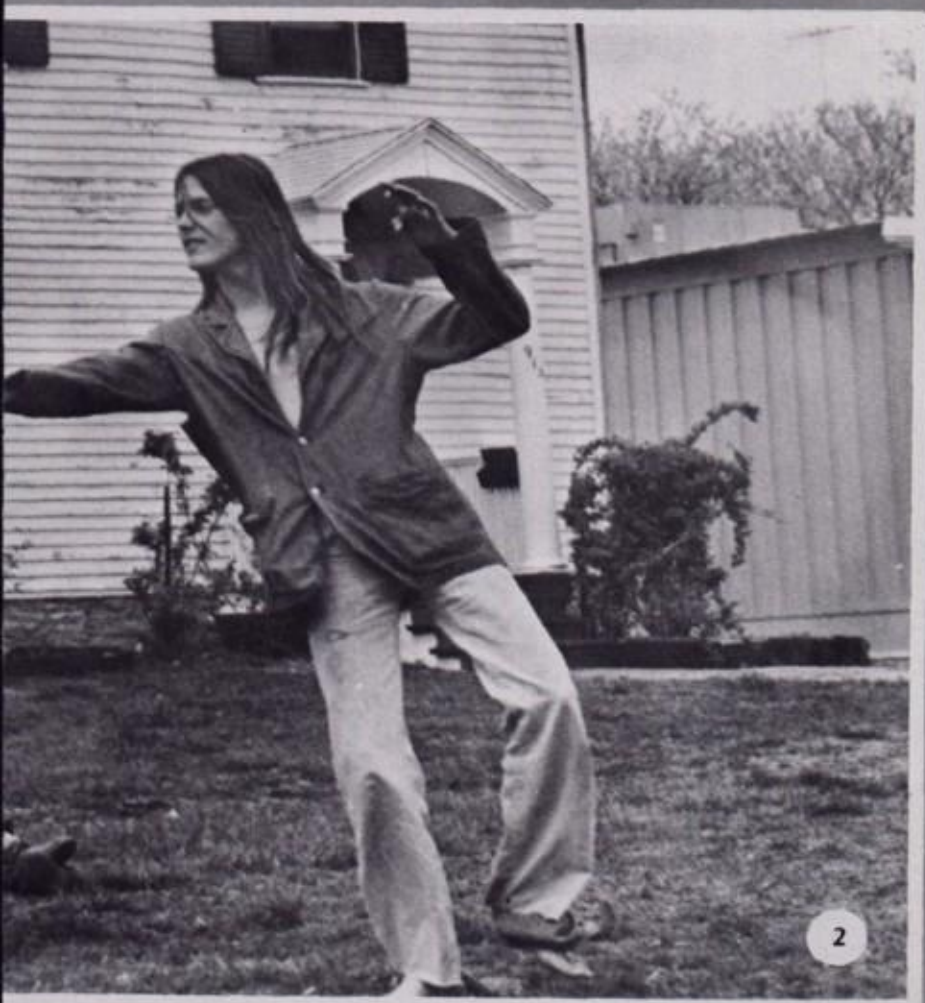

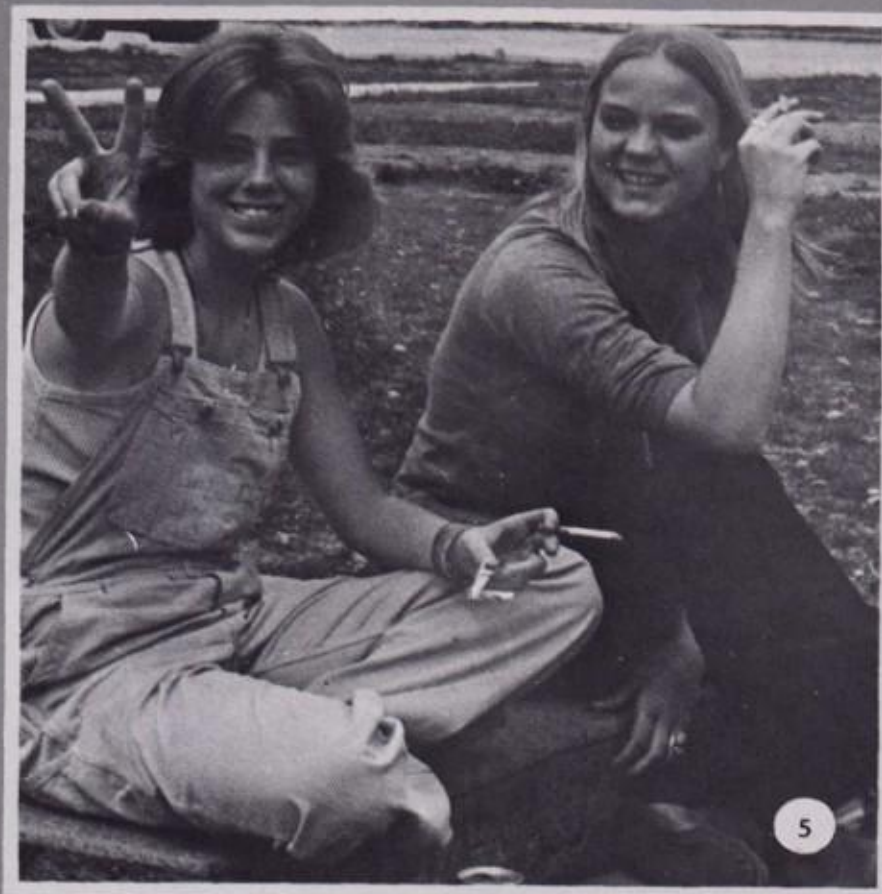

Facing facts of tomorrow while living for today and remembering the past that will never return.

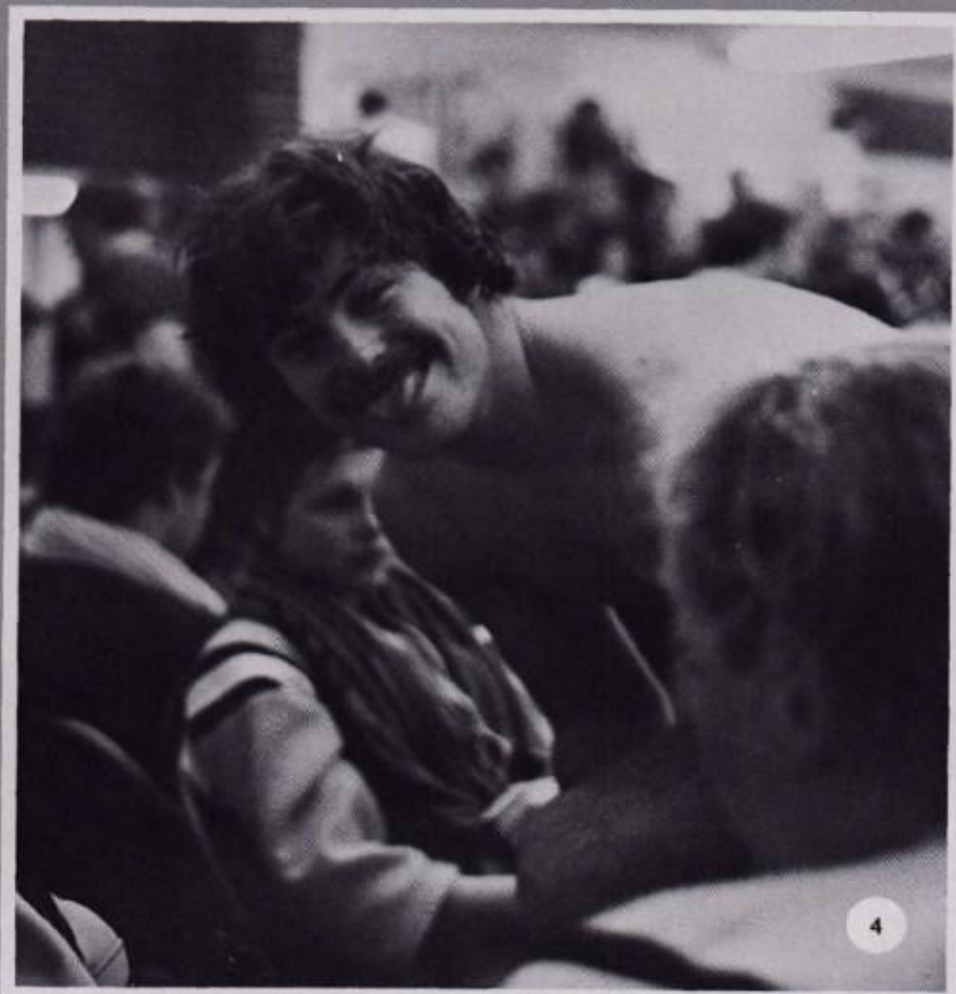

UNDERCLASSMEN

1. Modest Tim Wagstaff poses during swimming practice. 2. THS students play frisbie after school. 3. Juniors Darrell Coker and Lisa Griffith enjoy the spring weather. 4. French students Carmen Vaughn, Le Trung and Carol Lusco flip crepes in French class. 5. Carolyn Stearns and Cheryl Jandera relax during lunch time.

1. With his tongue sticking out, Junior Jame Co-fran is caught in a thinking mood. 2. Sophomore Lisa Miller poses naturally for the photographer. 3. A group of sophomore and junior girls practice marching in preparation for the Drill Team tryouts. 4. Junior Tim Wagstaff seems quite happy after swimming. 5. Junior Brenda Beason enjoys a moment of relaxation in the sun. 6. Juniors Vicki Chavez and Tom Shump find a little extra time on their lunch hour to rest.

SENIORS

A SENIOR. Living in a life of confusion. Being slapped with the force of decision. Feeling freedom lock you inside its arms and holding you there. Having the indepth feeling of peace divide its time within the moments of your life and touching your future with a breeze of silence.

Reaching to find a better life, striving to appreciate the life you have already made for yourself. Realizing how many memories have been left behind and trying to understand that your life has only just begun.

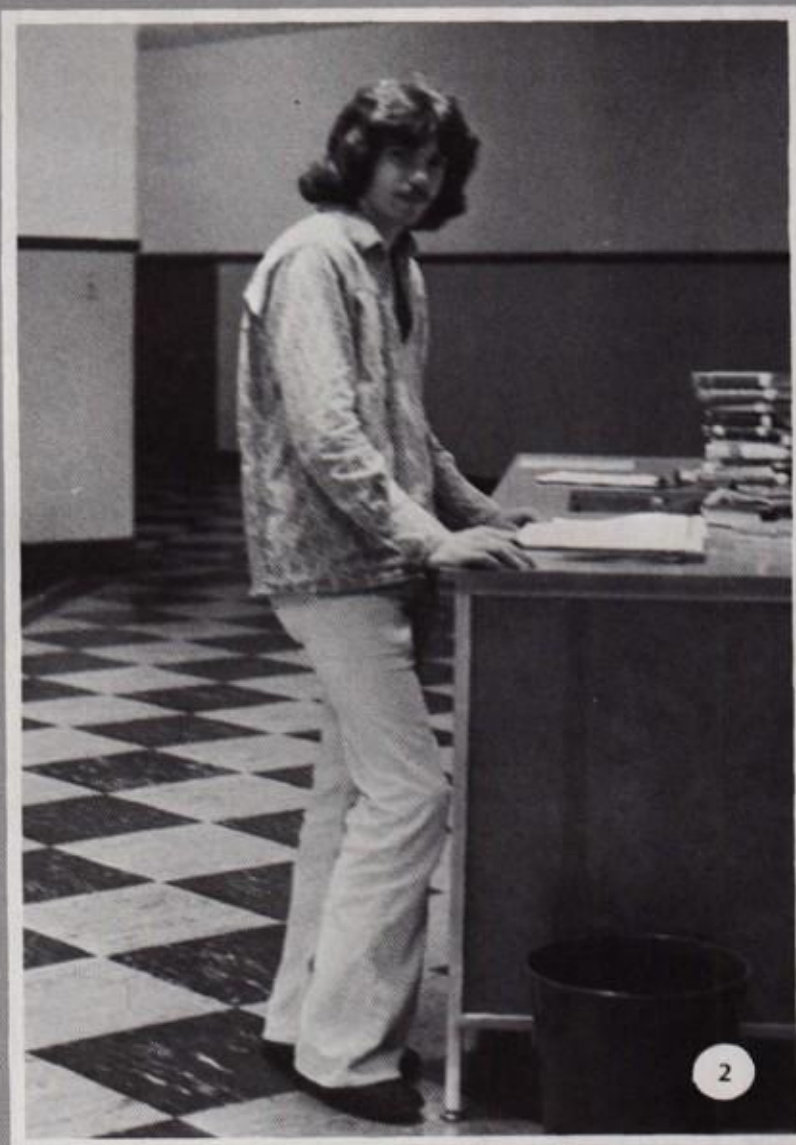

In Memoriam
Besty Sue Beason
1958-1975

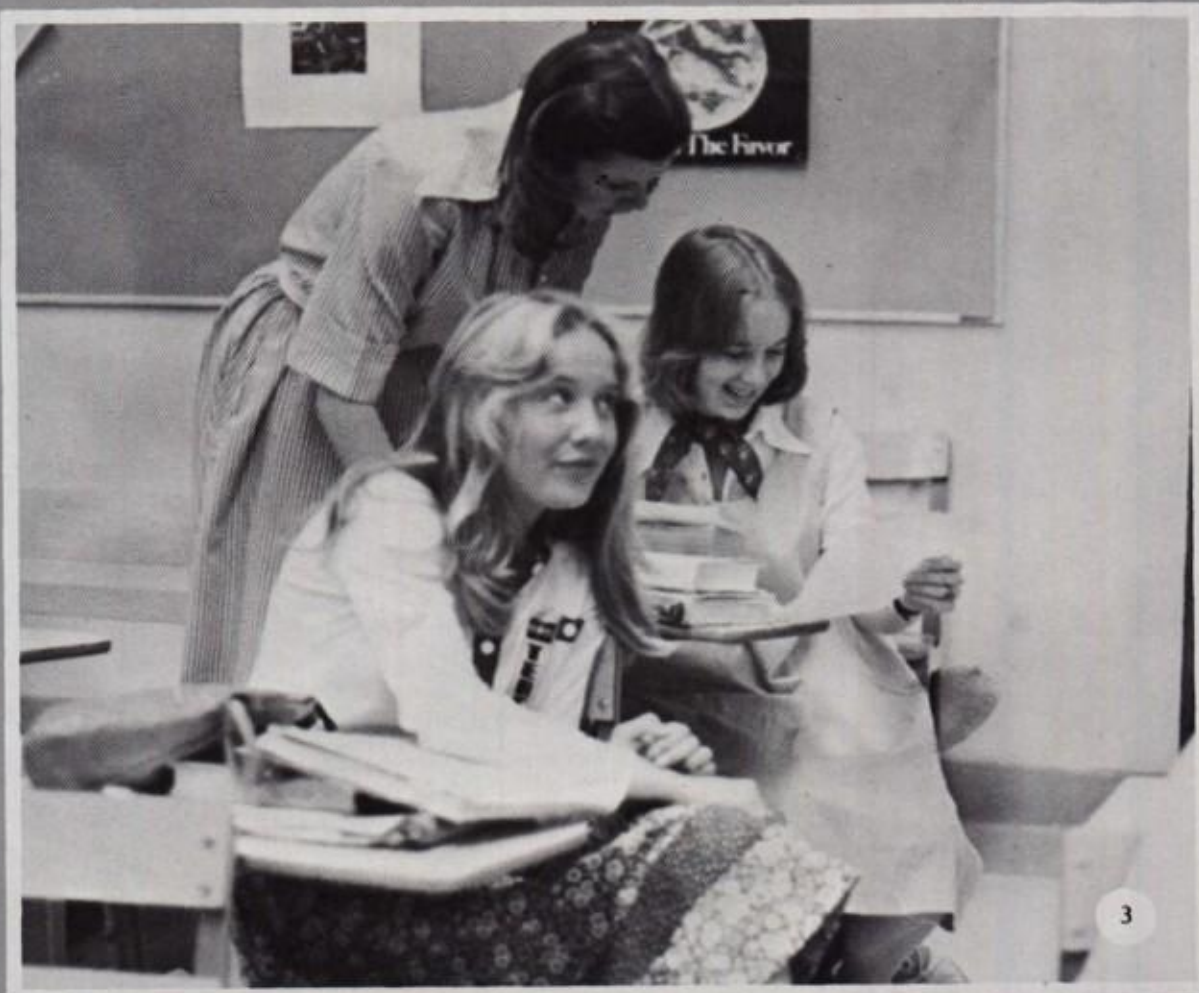

1. Sr. Class Officers: President Teri Canfield, Vice-President Mark Rafferty, Sec.-Treasurer Melinda Breeden. 2. Senior Kay Ekey practices her typing skills. 3. Discussing what ingredients are needed, Kirk Irwin and John Price learn the art of cooking in Bachelor Foods. 4. Journalism student Cindy Keller reports in to the substitute. She was on the WORLD staff first semester.

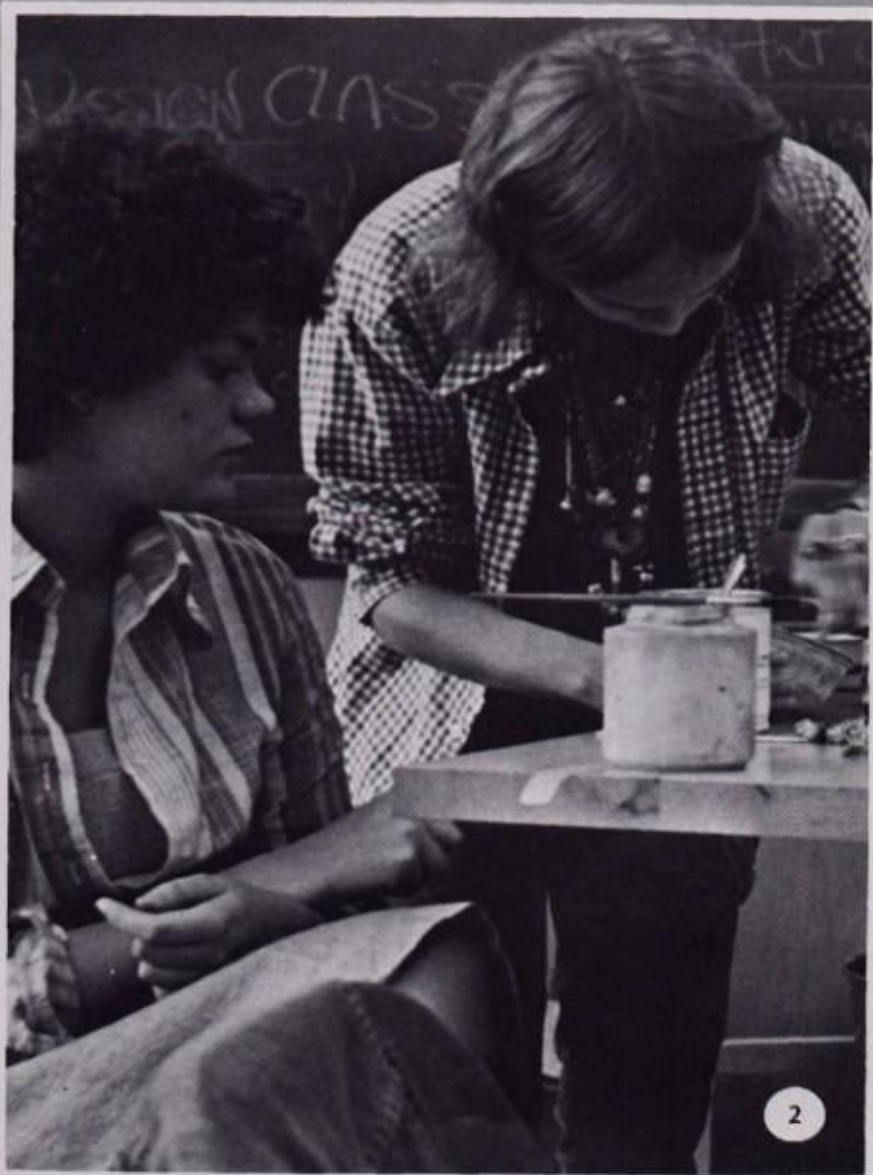

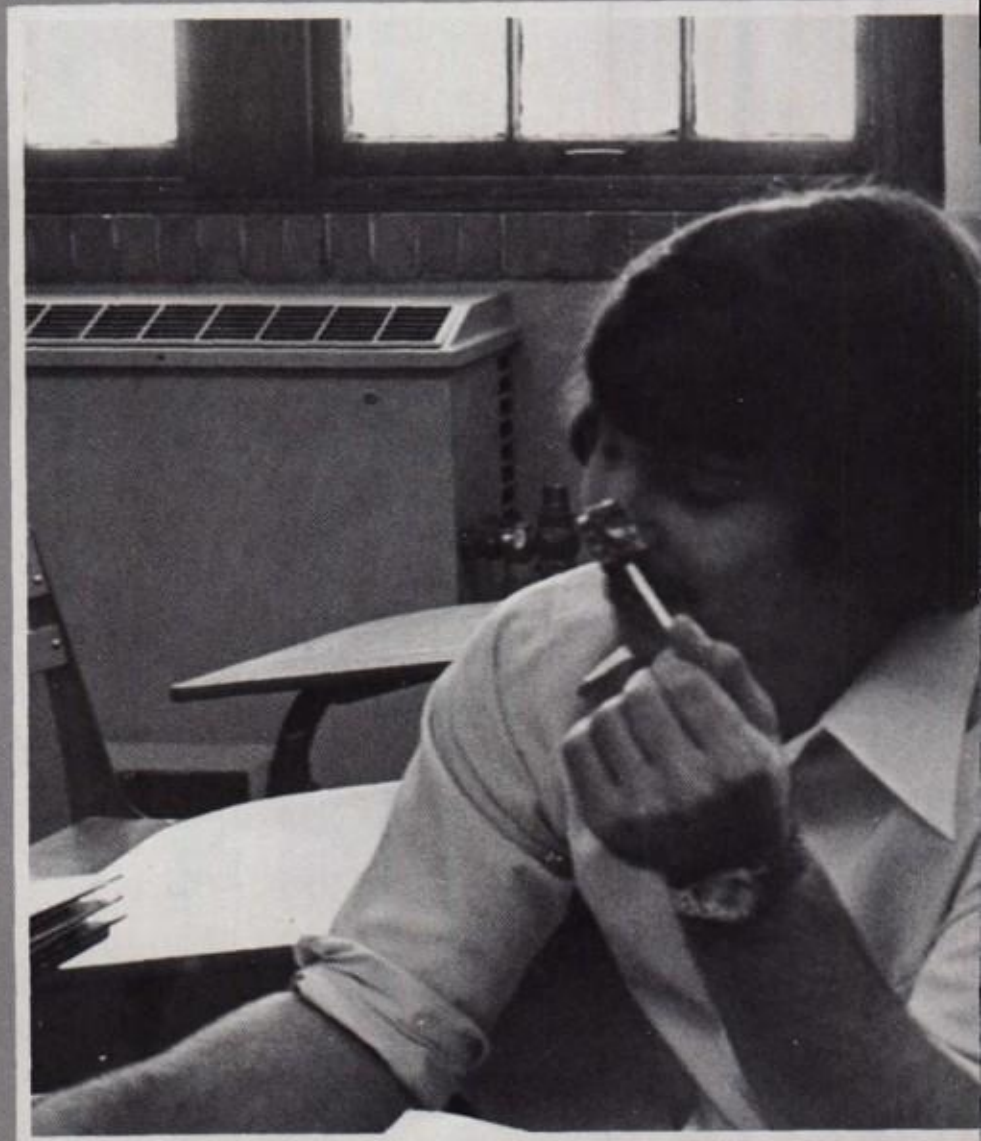

1. Susan Moore and Michelle Payne find long-forgotten belongings during a locker cleanup. 2. Jim Marshall waits patiently at the library desk. 3. Barb Buntin, Sally Hare and Lori Kirkegaard compare their final results on a chemistry lab.

1. Seniors Becky Souders, Barb Duncan and Jana Richardson enjoy many types of food at the International Dinner sponsored by the foreign language clubs. 2. Tina Moriello watches as Sue Eaton prepares paint for her art project. 3. Waiting for school to start, Seniors Tom Copeland and Tom Figgs sit in the sun.

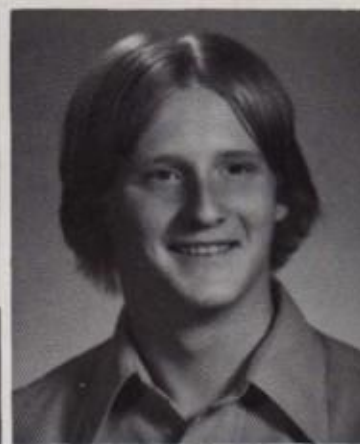

1. Joe McCaskie relaxes after he sets up his tent for the Survival mini-course. 2. Varsity cheerleaders finish their fire-up cheer at the Hayden basketball game. 3. Spanish IV students read a novel during class. 4. Senior Mike Look enjoys his lollipop while studying. 5. Seniors Beth Gehrt, Ruth Gleason, Mitch Murphy and Junior Lucy Dale find it easier to work together. 6. Lori Synder cringes as powder is applied over her stage makeup for the musical. 7. Senior Rick Redick surprises the photographer with his devilish smile.

FASHION

As we watch the fashions change from year to year, we discover a unique difference in the general appearance of the average high school student.

This year, a wide variety of new styles were seen as well as a few of the old styles to create the "bi-centennial" atmosphere.

The "layered" look seemed to be a popular fad as well as the high heeled sandals and the short feathered hair.

1. A new fad, straight legged jeans, appeared at THS during the 75-76 school year. Junior Nancy Fitzpatrick dresses in Levis, bandana and popular Earth shoes. 2. Feathered bangs over a layered look proved to be the "in" hair style. Senior Lori Snyder displays the casual look of a cotton checked shirt and overalls. 3. More skirts and dresses, with the length just below the knee, were seen at school this year. Seniors Dotty Van Buren and Cindy Fiegenbaum wear the popular wedged heels and layered sweaters. 4. Pointed vests added a special touch to this years fashion. Although leisure suits became popular, suits still prevailed. Junior Dan Bailey dresses in the traditional suit and tie. Senior Elaine Kaufmann wears a fashionable corduroy blazer with matching vest and skirt. 5. Colorful sweaters and "cords" were common, as Senior Mark Rafferty shows. 6. Senior Howard Epstein shows the popular combination of jeans and an unusual T-shirt.

1. Overalls and rugby shirts were the thing for both the boys and girls as Senior Kirk Irwin demonstrates. Senior Michelle Cusic shows off a T-shirt. T-shirts with popular sayings were also favorites among THS students. 2. Senior Chris Nordgren wears the ever popular flannel button-down shirt and jeans while Senior Dan Kimbrough stays comfortable in a short sleeve polo shirt. 3. The recently new and casual jumpsuit came into popularity late in the school year. Senior Susan Halley dresses up her jumpsuit with a scarf and purse. 4. Seniors Shelley Nieman, Teri Canfield and Pam Dinwiddie keep cool in fashionable halter tops. 5. Junior Kathy Long wears the popular combination of a light summer pantsuit and a colorful scarf to brighten up the outfit. Roomy purses also made a big hit with students. 6. With snow skiing growing into a popular sport, the sale of the ski wear boomed. Midi-length camel hair coats were also fashionable. In warm winter coats, Seniors Ruth Gleason and Cathy Mealman talk on the veranda.

Closing

A once in a lifetime event, the Bicentennial year, is one for recalling history. It is a time for looking back in our own past remembering old faces, experiences and accomplishments. But more important, it is a steppingstone from the past to the future — our time to make history.

SPIRIT

For 200 years, we have looked at our flag and seen a country with pride. This symbol is always saying: "E Pluribus Unum-from many, one." Let this spirit never be changed.

For 45 years, we have looked at our Trojan and seen a school with pride. This symbol CAN say: "E Pluribus Unum-from many, one." Let this spirit be revived.

Topeka High Spirit

strewn highways to broken

bottles. From cluttered pathways to garbage-filled parks. This

mess was made by and me.
